Grab a friend, sink into a beanbag under the open sky and experience movie watching like days gone by. Throw in some popcorn and soda, and it's your new theatre of dreams, right on your doorstep.

▷ BIG FUN FOR LITTLE ONES

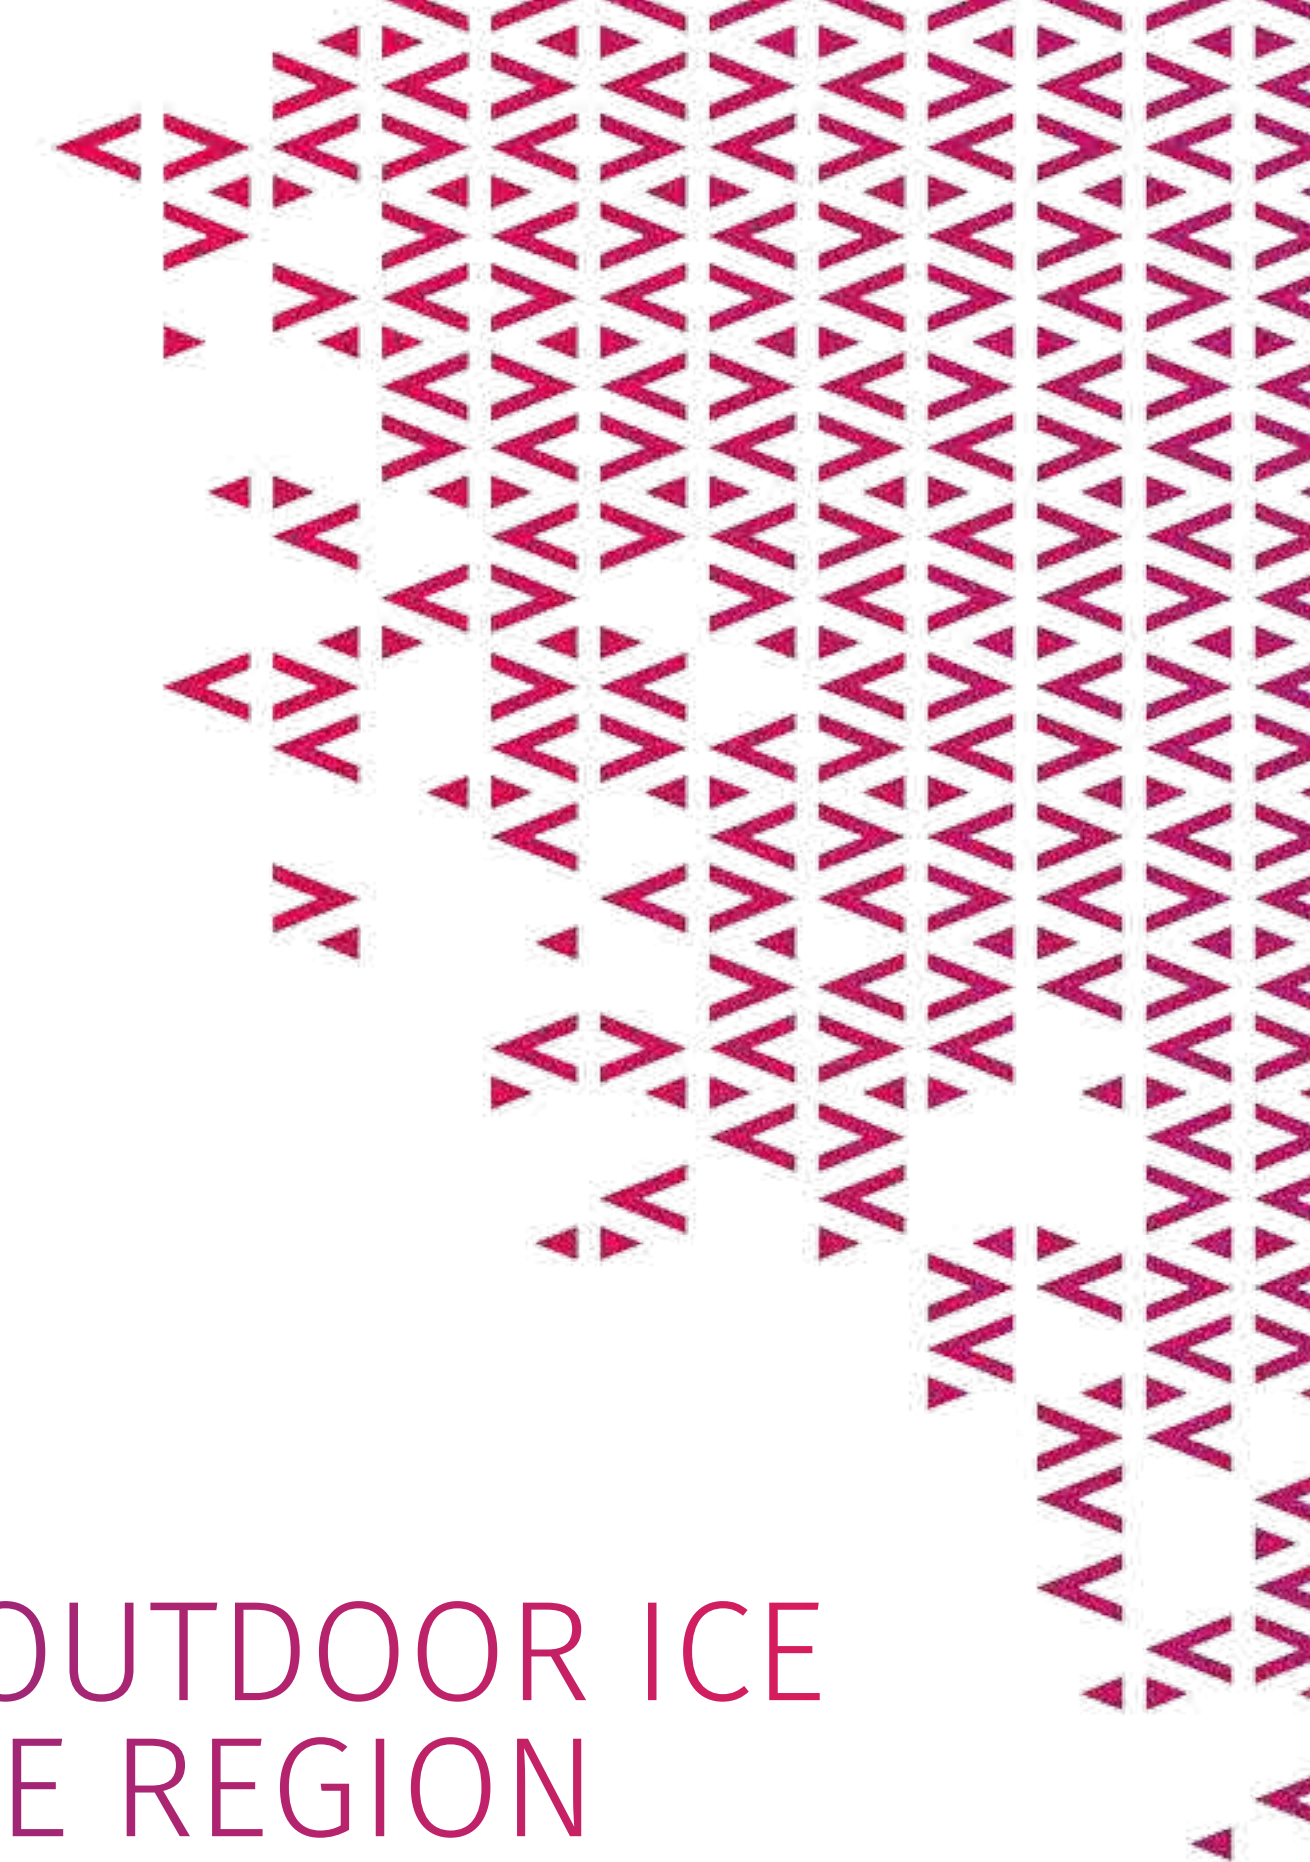

Who says grown-ups have all the fun? Little ones can most definitely enjoy their share too. The children's entertainment area provides hours of energetic fun for youngsters of all ages. They can choose from soft play centres, bouncy castles, swings and slides, allowing you to enjoy a little retail therapy or a quiet coffee while they keep themselves busy and entertained.

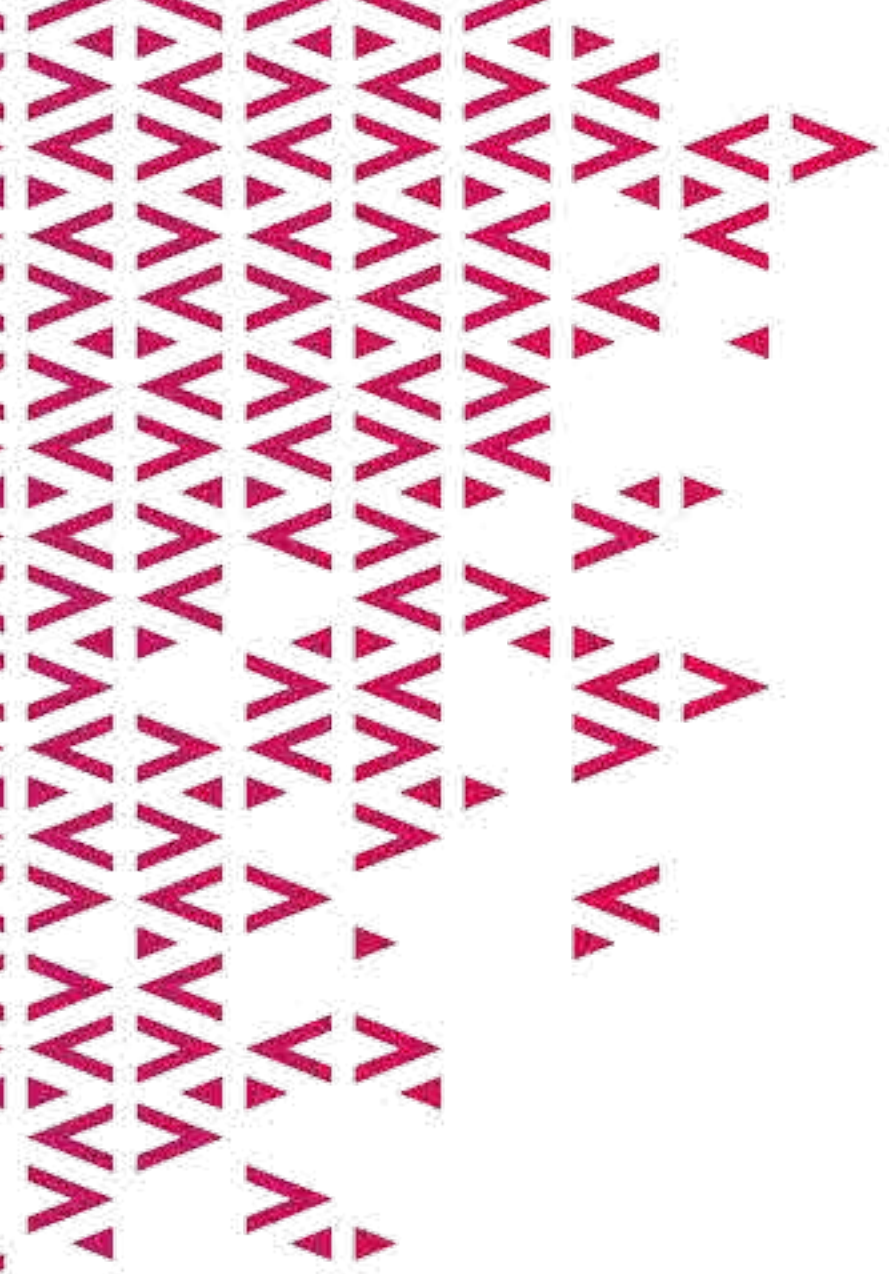

▷ THE FIRST OUTDOOR ICE RINK IN THE REGION

The outdoor ice rink will be the coolest new adventure in town. Whether you're an eager learner, star skater, ice hockey pro or just seeking a little fun time with friends, the outdoor ice rink is a fantastic destination. So, when the mercury starts rising, you know where to go for some chilled fun.

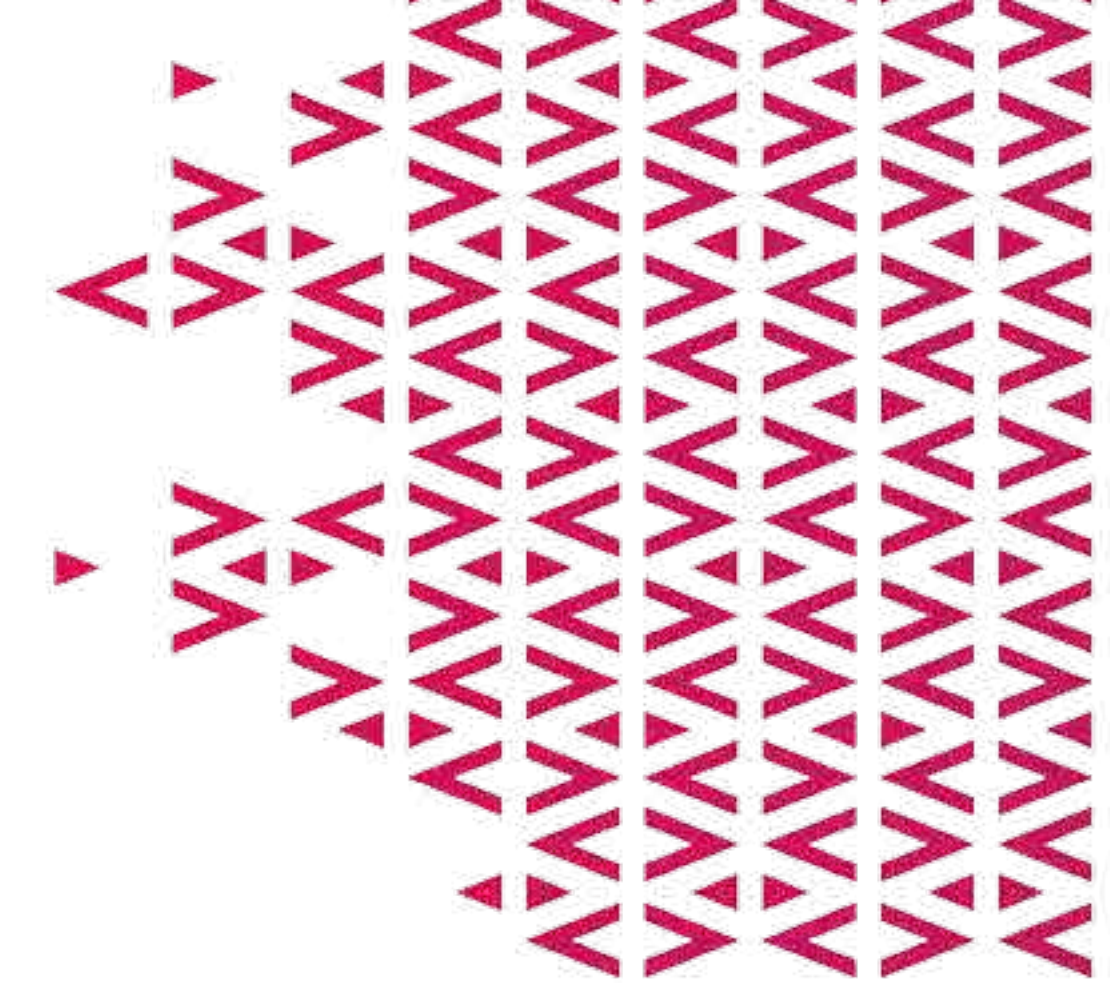

► PUTTING THE GAME FIRST

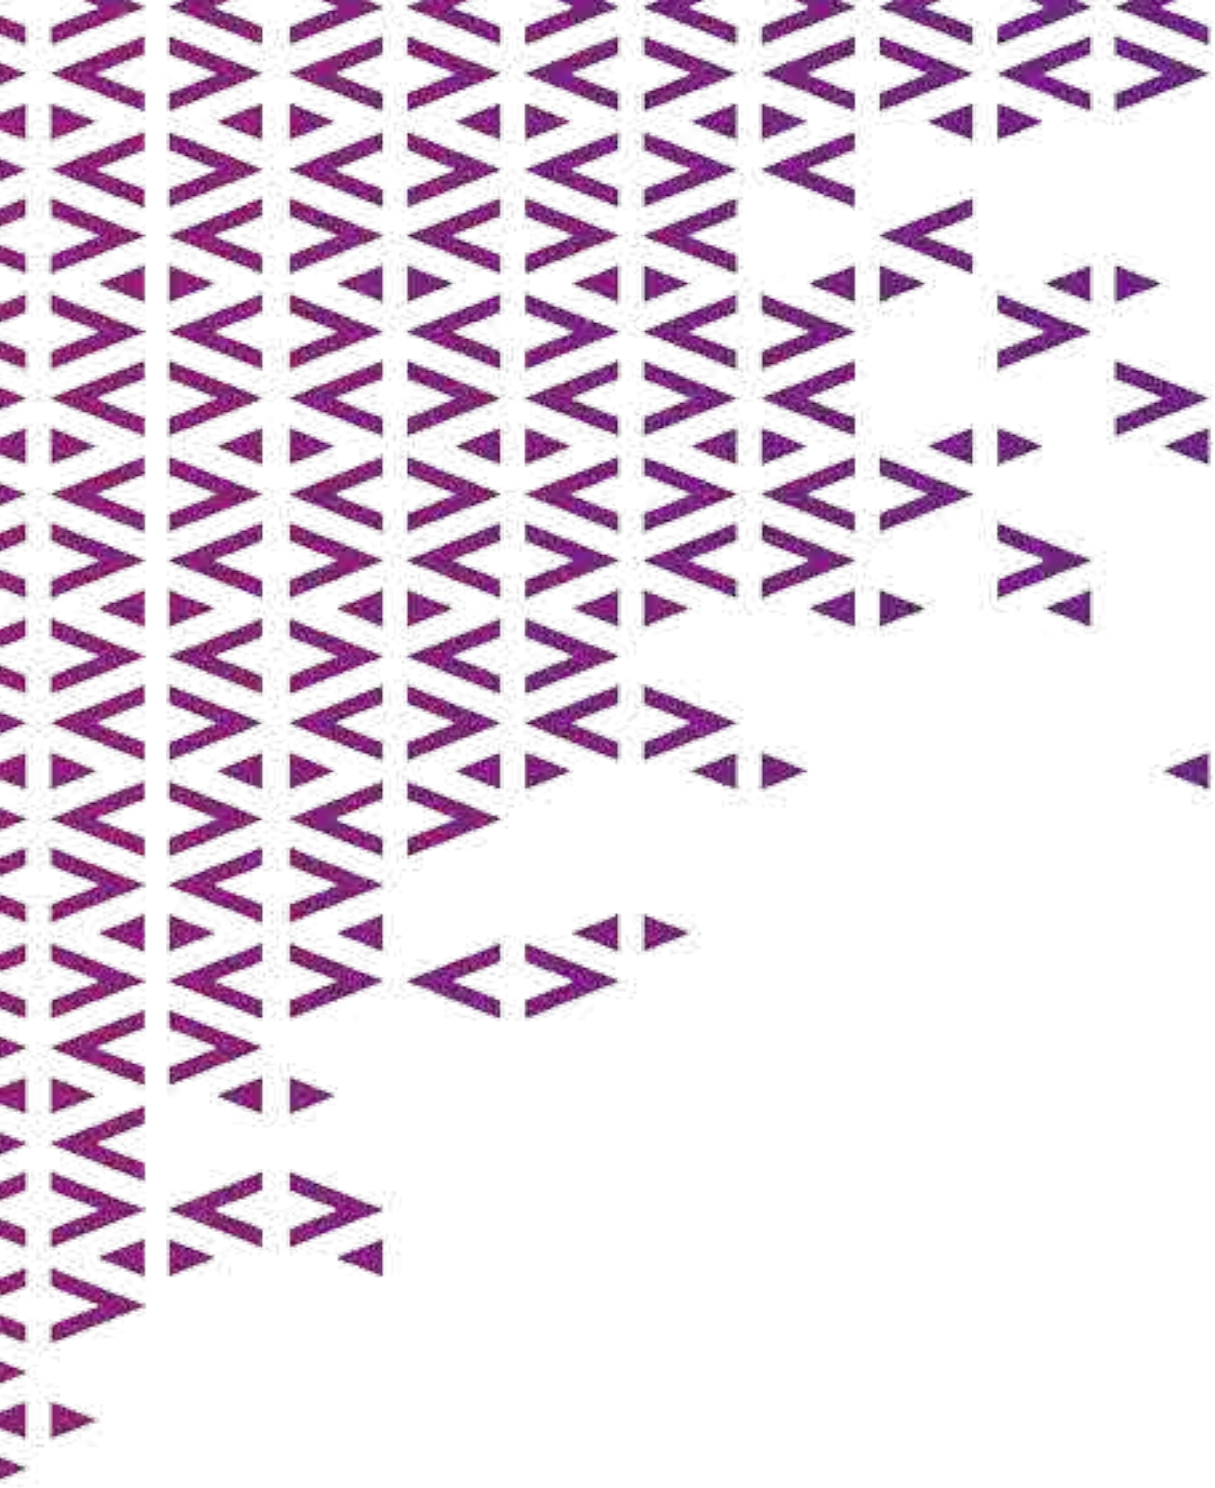

For golf fans, the putting green is the perfect playground with its mini rolling hills and various other hazards. Experienced golfers will relish a challenging practice round before taking their turn on the big stage, while novices enjoy the chance to hone their golfing skills.

▷ FESTIVE TREASURES OF A BYGONE ERA

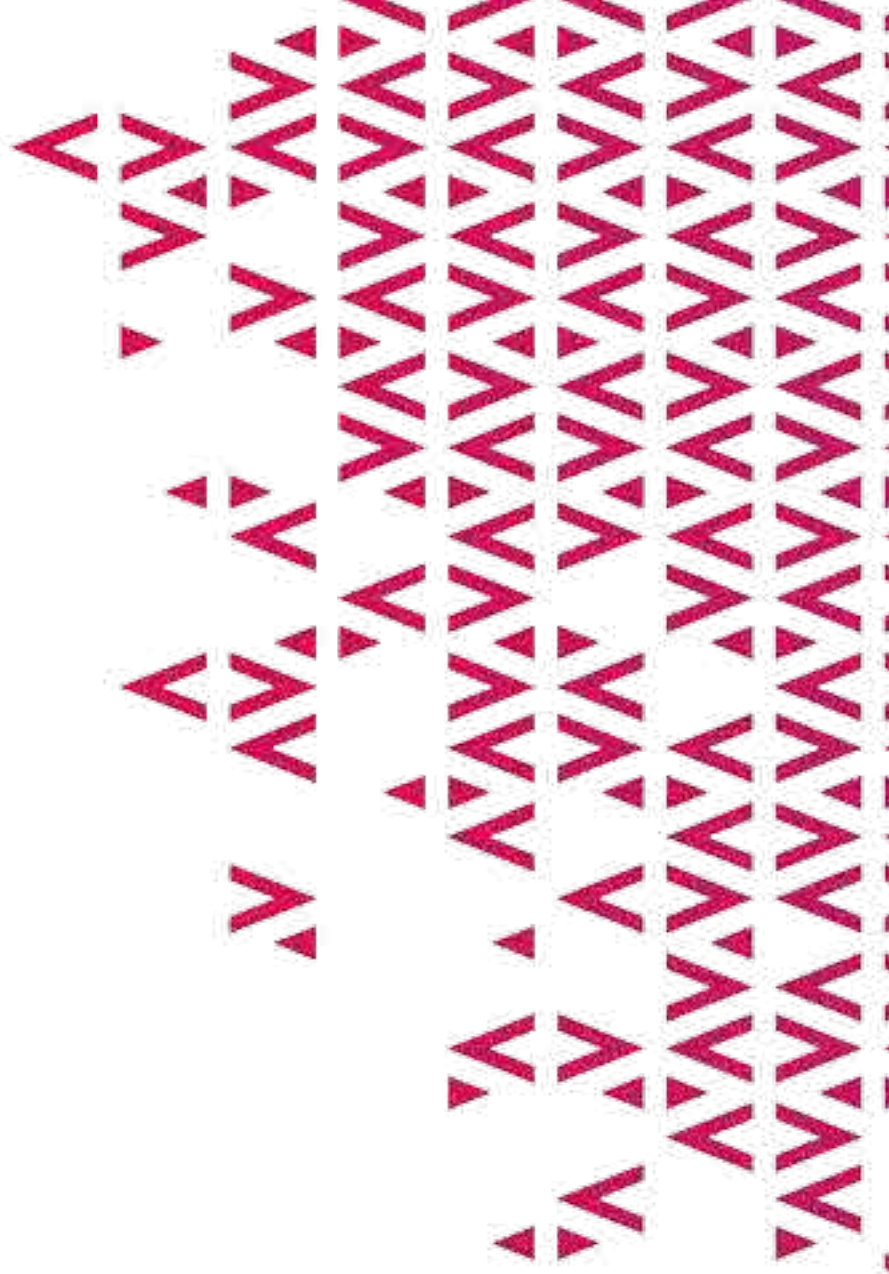

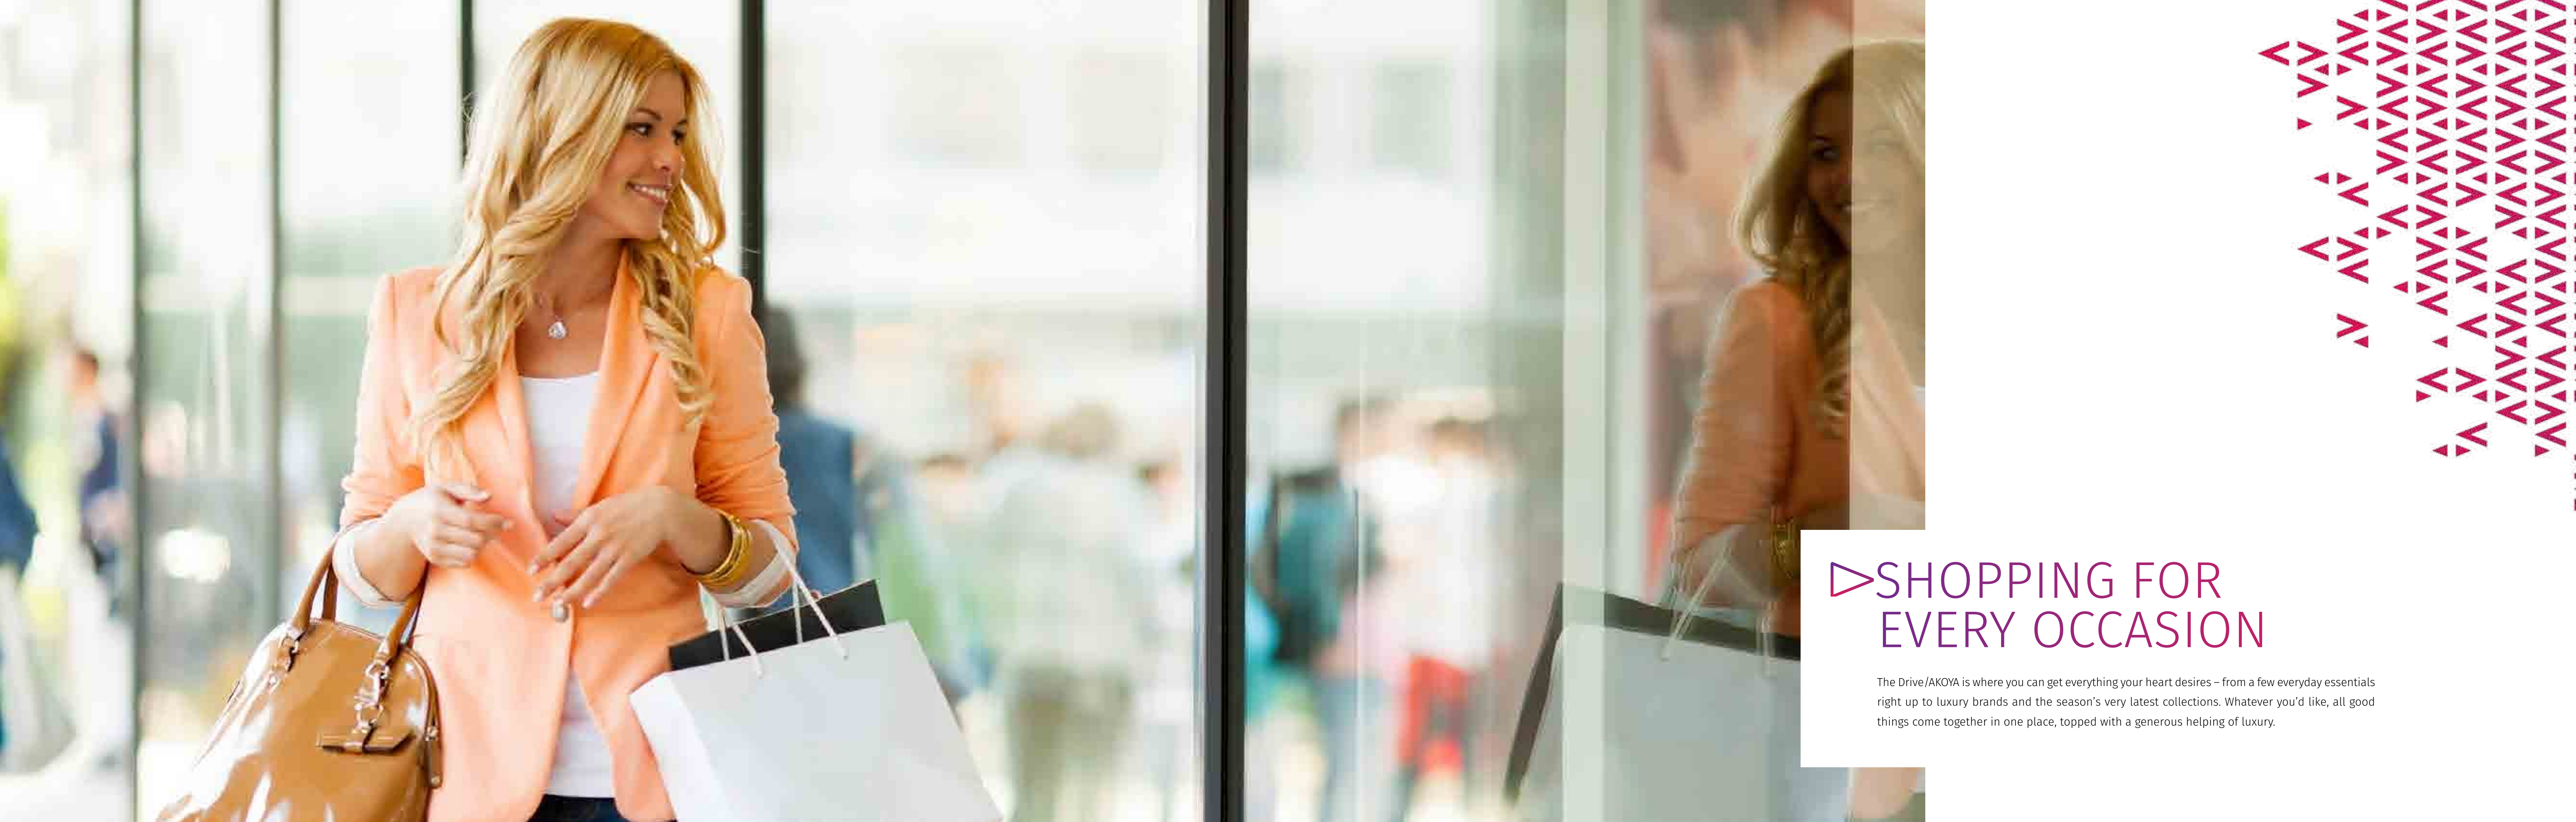

Imagine a festive district – a Bastakiya and a cultural souk if you will – open for six months a year. Here you'll journey back to the traditional charm of ancient Arabia with its bustling marketplaces, enchanting lanterns and rich discoveries around every corner.

▷ DRESSED UP DINING AND CASUAL CAFÉS

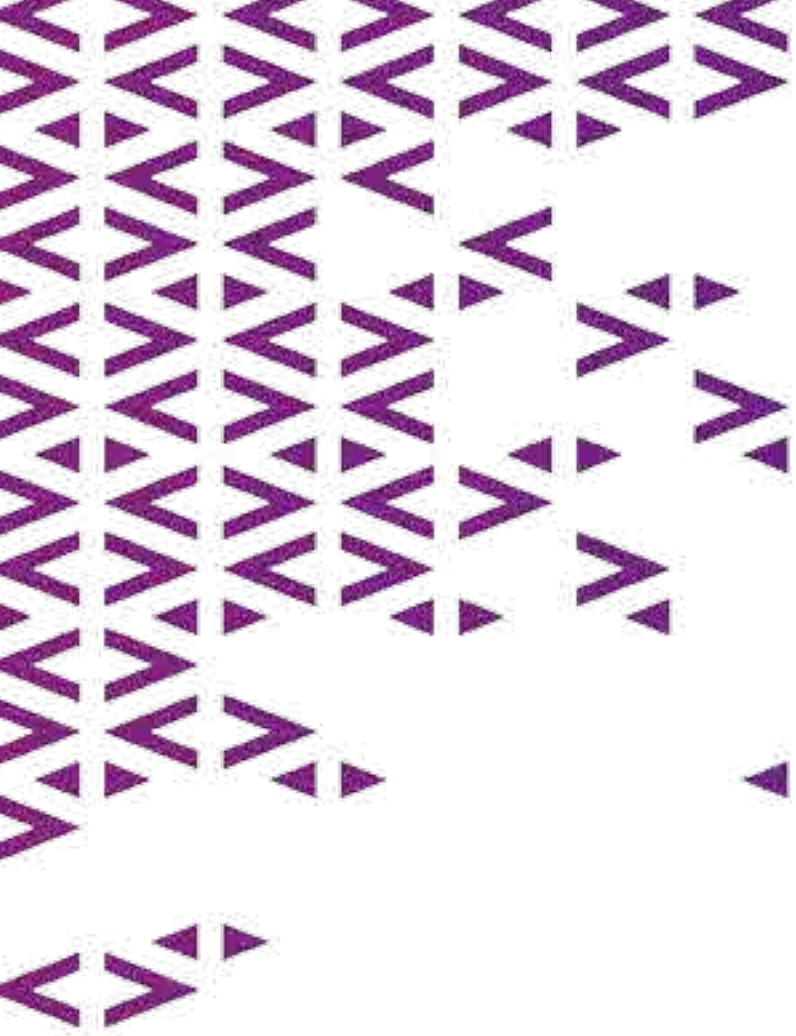

A table of global favourites is set. Expect everything; from a Mediterranean gourmet delicacy to the finest Arabic fare. When the mood takes you, take a stroll down the boulevard, through the Festive Arena and treat your palate at any of the delightful kiosks. Stunning views of the golf course complete the experience.

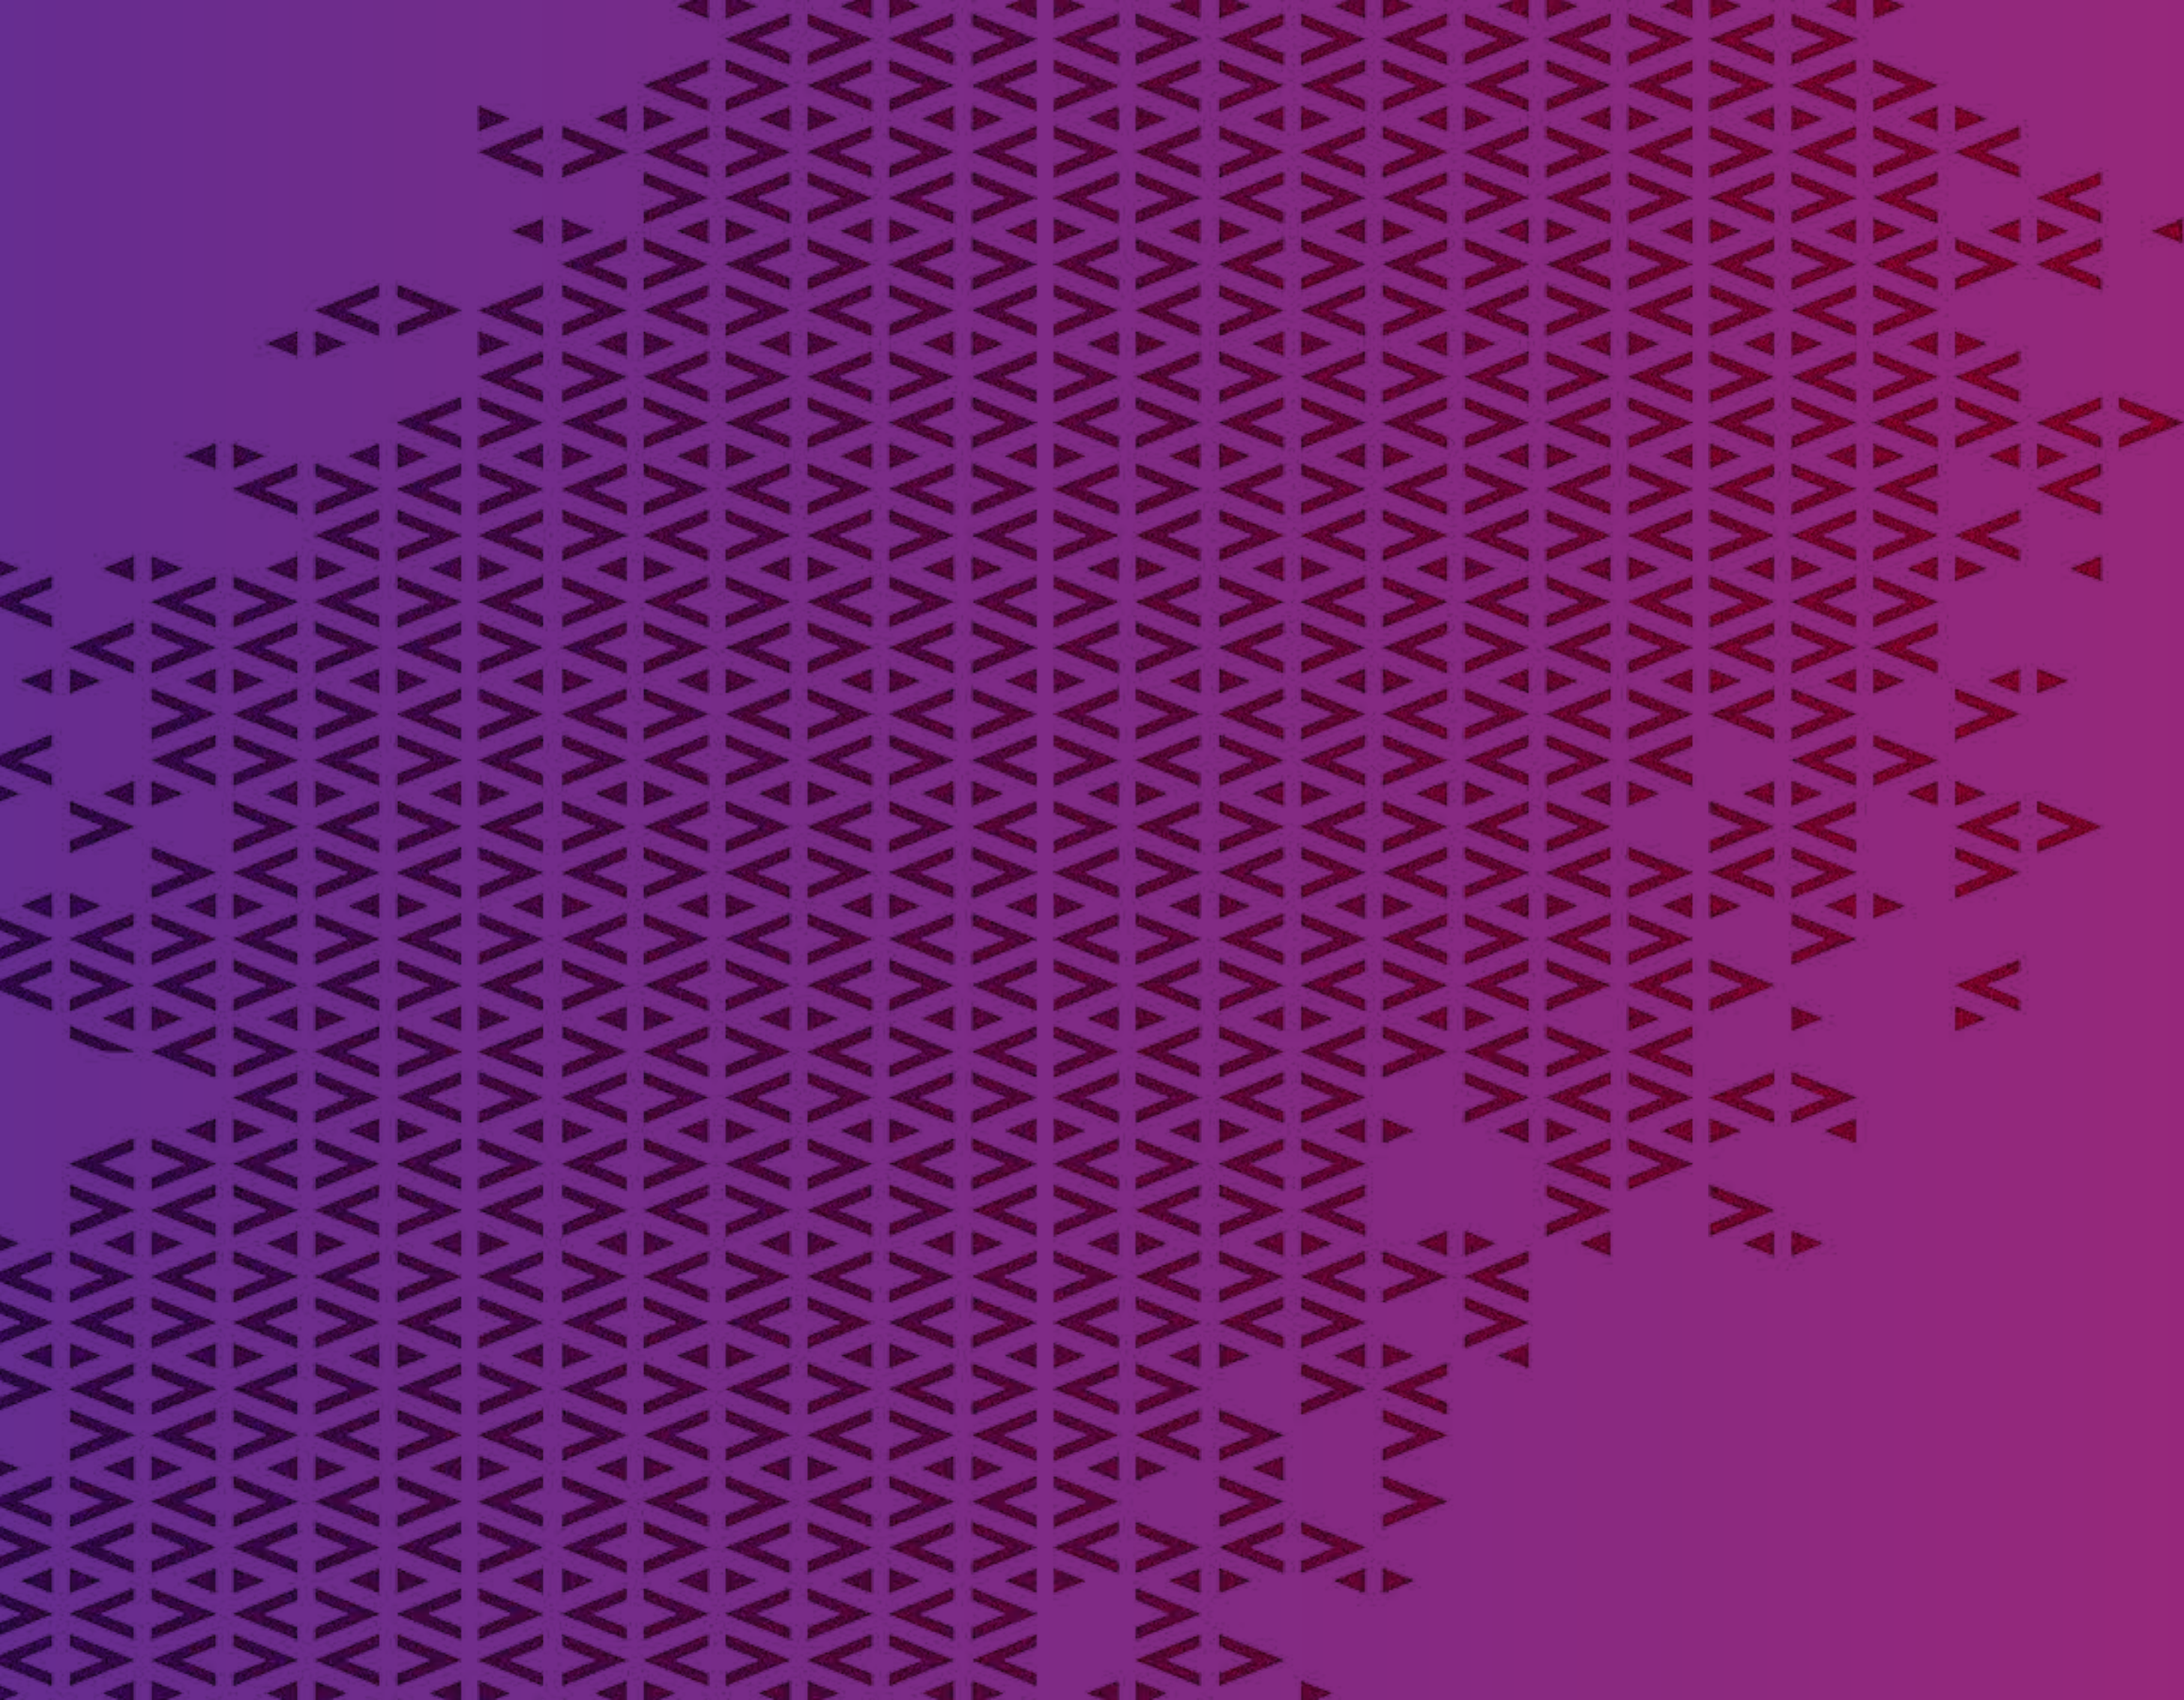

▷ SHOPPING FOR EVERY OCCASION

▷ HEALTH COMES FIRST

When the need for quality healthcare arises, it's in your neighbourhood. The Drive/AKOYA will be home to a 3,000 square metre medical centre. Experienced doctors, expertly trained assistants, state-of-the-art technology and world-class treatments will ensure your health is always in safe hands.

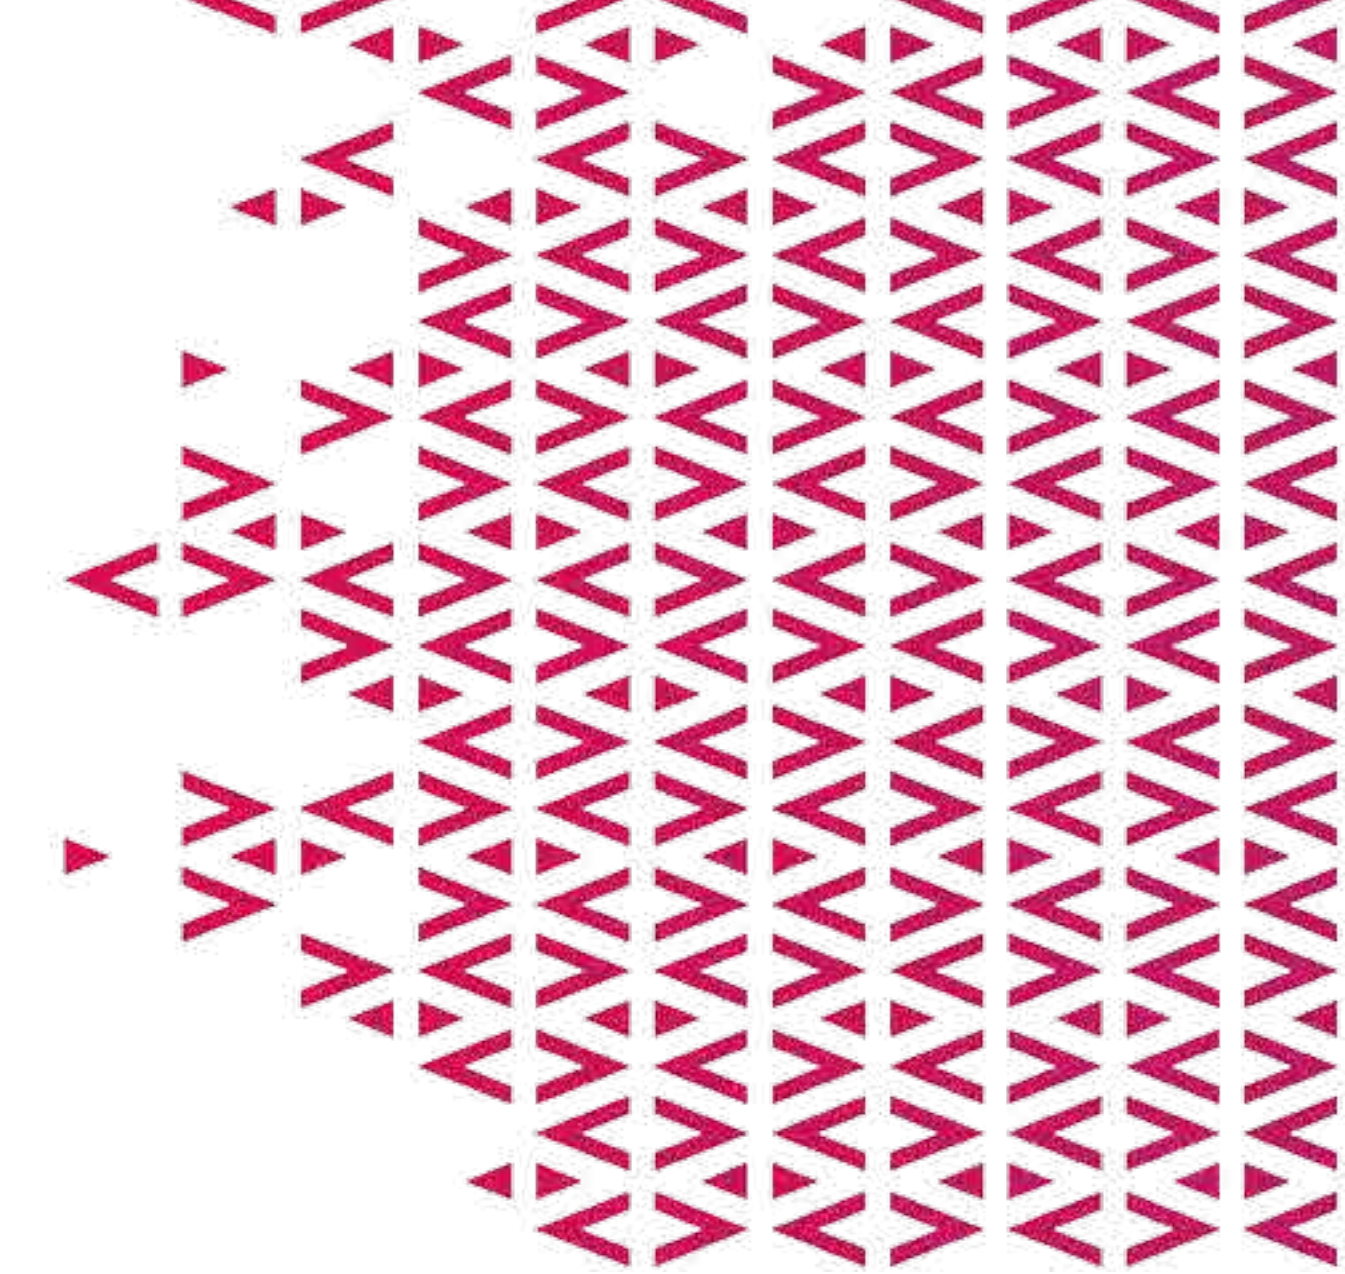

▷ THE FIRST TRUMP
INTERNATIONAL
GOLF CLUB IN
THE MIDDLE EAST

▷ UNVEILING A NEW STANDARD IN GOLF

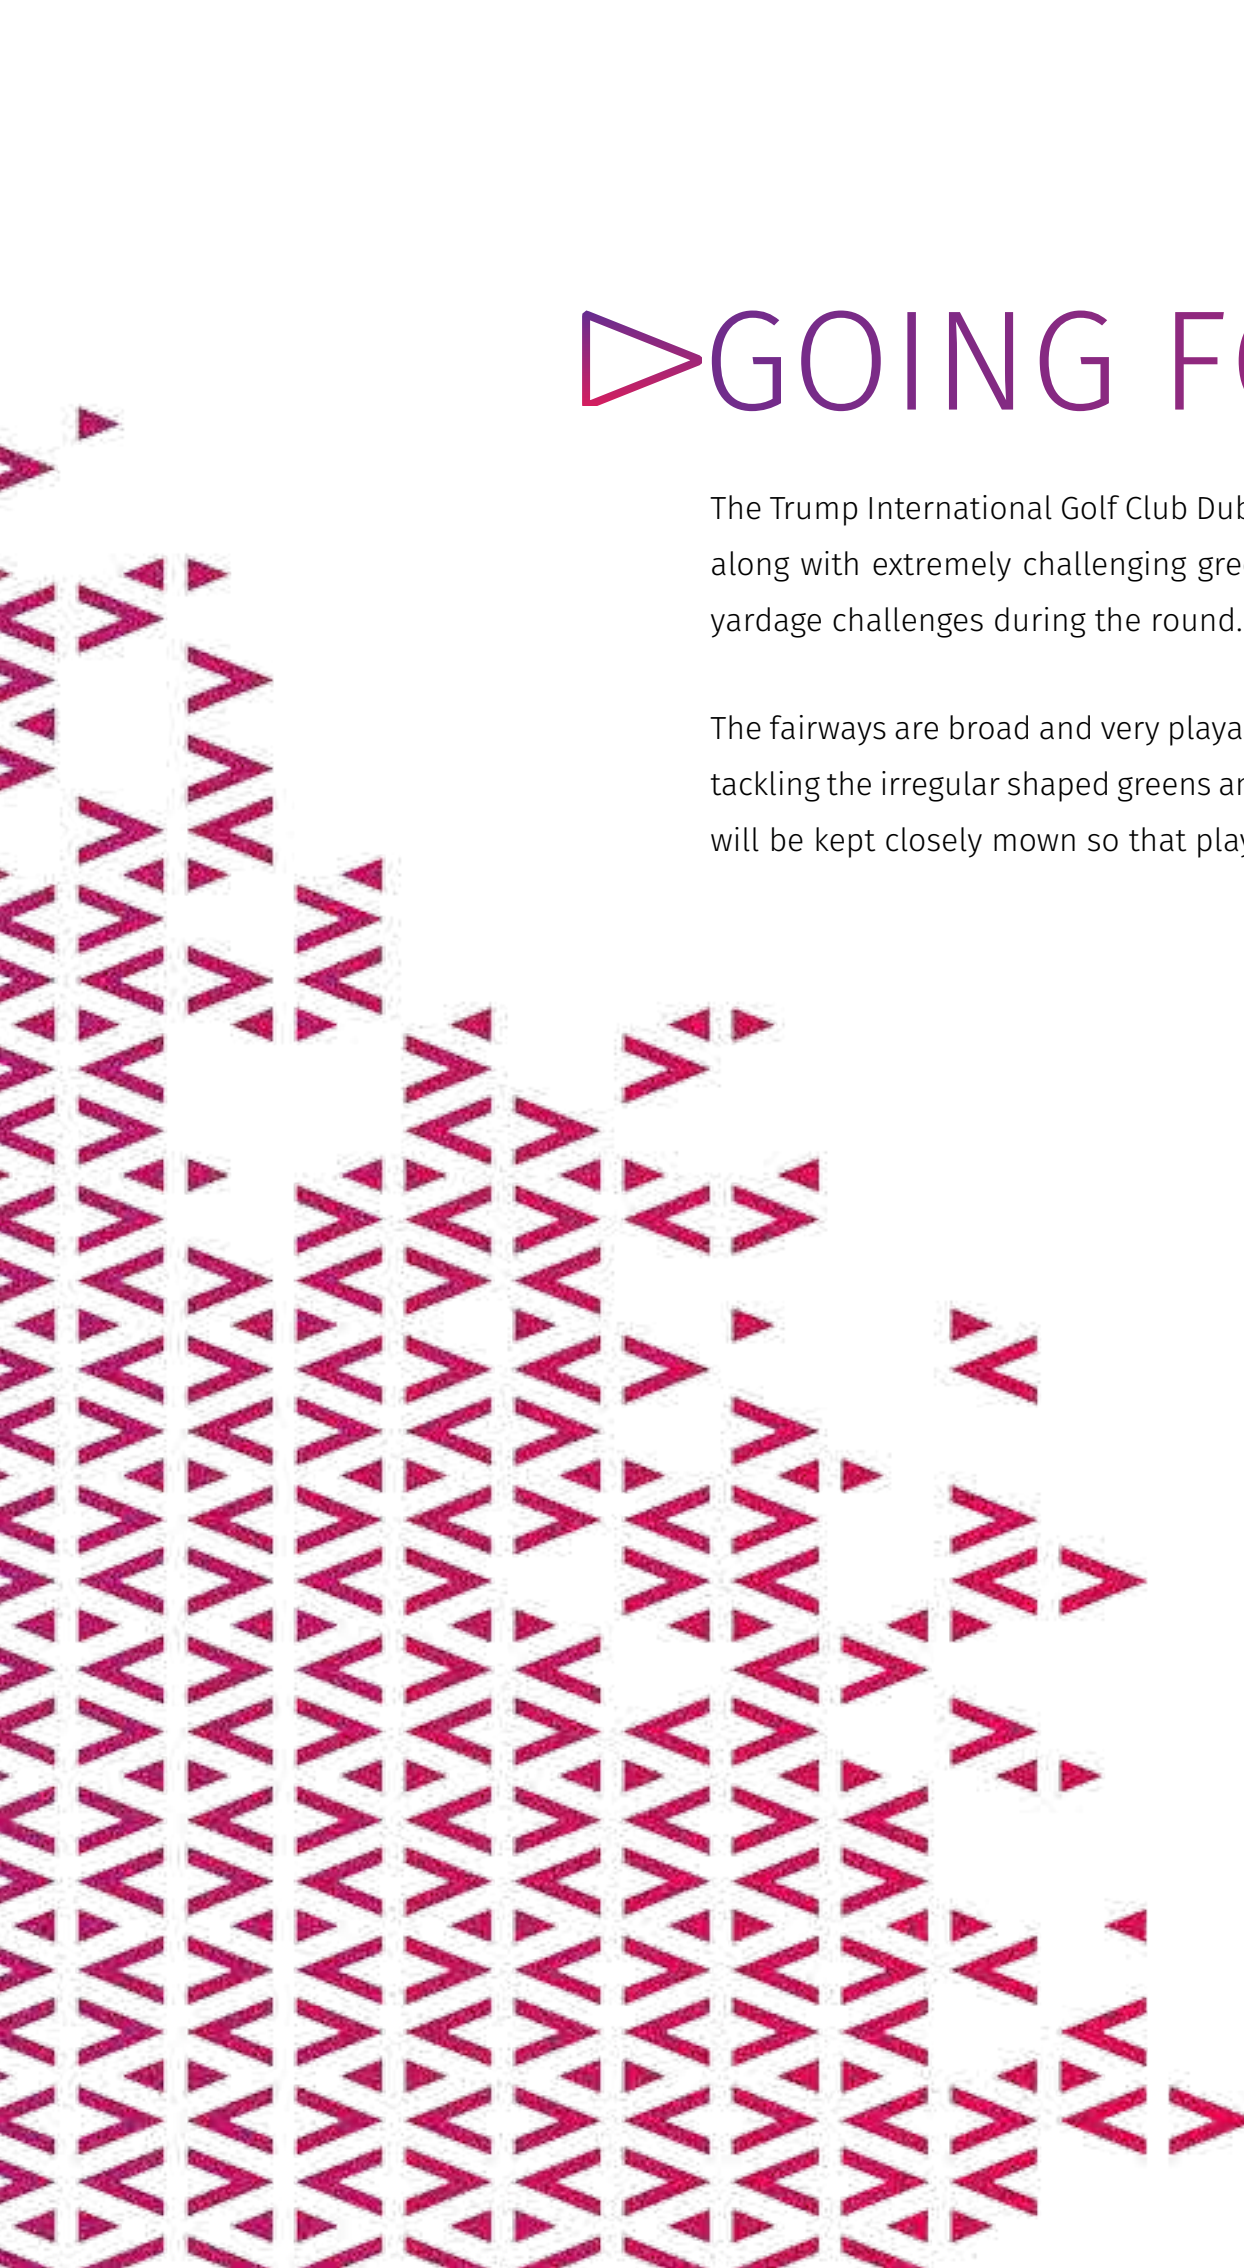

This is the first Trump International Golf Club in the Middle East, managed and operated by the Trump Organization. Golf enthusiasts have everything to play for on the spectacular 18-hole, par 71 Championship golf course. Par III and academy courses, along with world-class professionals, provide ample opportunity to improve one's game.

▷HANSE GOLF DESIGN

The course is designed by Gil Hanse, one of the most sought after architects in modern golf. A great subscriber to minimalism, he has designed many high-profile courses, most recently the 'Blue Monster', namely Trump National Doral's Blue Course, dubbed the greatest challenge for PGA Tour Professionals. He is also the designer of the 2016 Olympic Games golf course in Rio de Janeiro and now he brings his unique skills to shape the Championship course at AKOYA by DAMAC.

▷ GOING FOR THE PIN

The Trump International Golf Club Dubai has been designed to achieve changes in elevation and a natural wadi look, along with extremely challenging greens. The 7,205-yard course offers a broad mix of holes to ensure a variety of yardage challenges during the round.

The fairways are broad and very playable but a tight strategy is required from the tee, to position the ball well before tackling the irregular shaped greens and varied pin positions. The grass of the copious greens and surrounding aprons will be kept closely mown so that players can choose to chip or putt to the pin from a good distance.

▷ SET TO BE THE FINEST CLUBHOUSE OF ITS KIND IN DUBAI

The exclusive 30,000 square foot clubhouse features high-end restaurants and a luxurious Trump Spa & Wellness Centre. In addition, a capacious pro shop stocks the latest in golf wear and accessories. Here you can have your swing analysed by professionals using high tech machinery to recommend the best equipment for your game. The double-sided driving range, chipping facility and putting greens emulate the undulations of the course to accurately reflect the challenges that await.
