

A Vision Beyond the *Ordinary*

Discover a new realm of luxury living, where elegance of equestrian heritage flows effortlessly into contemporary design and verdant vistas. Discover a lifestyle that immerses you in the tranquillity, every day. A life which is truly inspired from the free spirit of the horses, enabling you to experience freedom like never before.

Welcome to Grand Polo Club & Resort

Grand Polo Club & Resort is a masterplan which is built to strike fine balance between lifestyle principles of leisure, nature, connectivity, wellness and recreation. Whilst having the equestrian prestige at its heart, the green spaces loop-around and branch-out across the masterplan, connecting the residences thereby fostering a sense of community and belonging.

The Green Core

Situated in the heart of the masterplan, the Green Core is placed to serve a dual-purpose – to enhance the aesthetic appeal and promote a sense of community and connection to nature. Comprising of three Polo Fields, a luxurious Clubhouse and private Stables, this is the primary vista that the residents of Chevalia Estate will wake up to.

The Stables

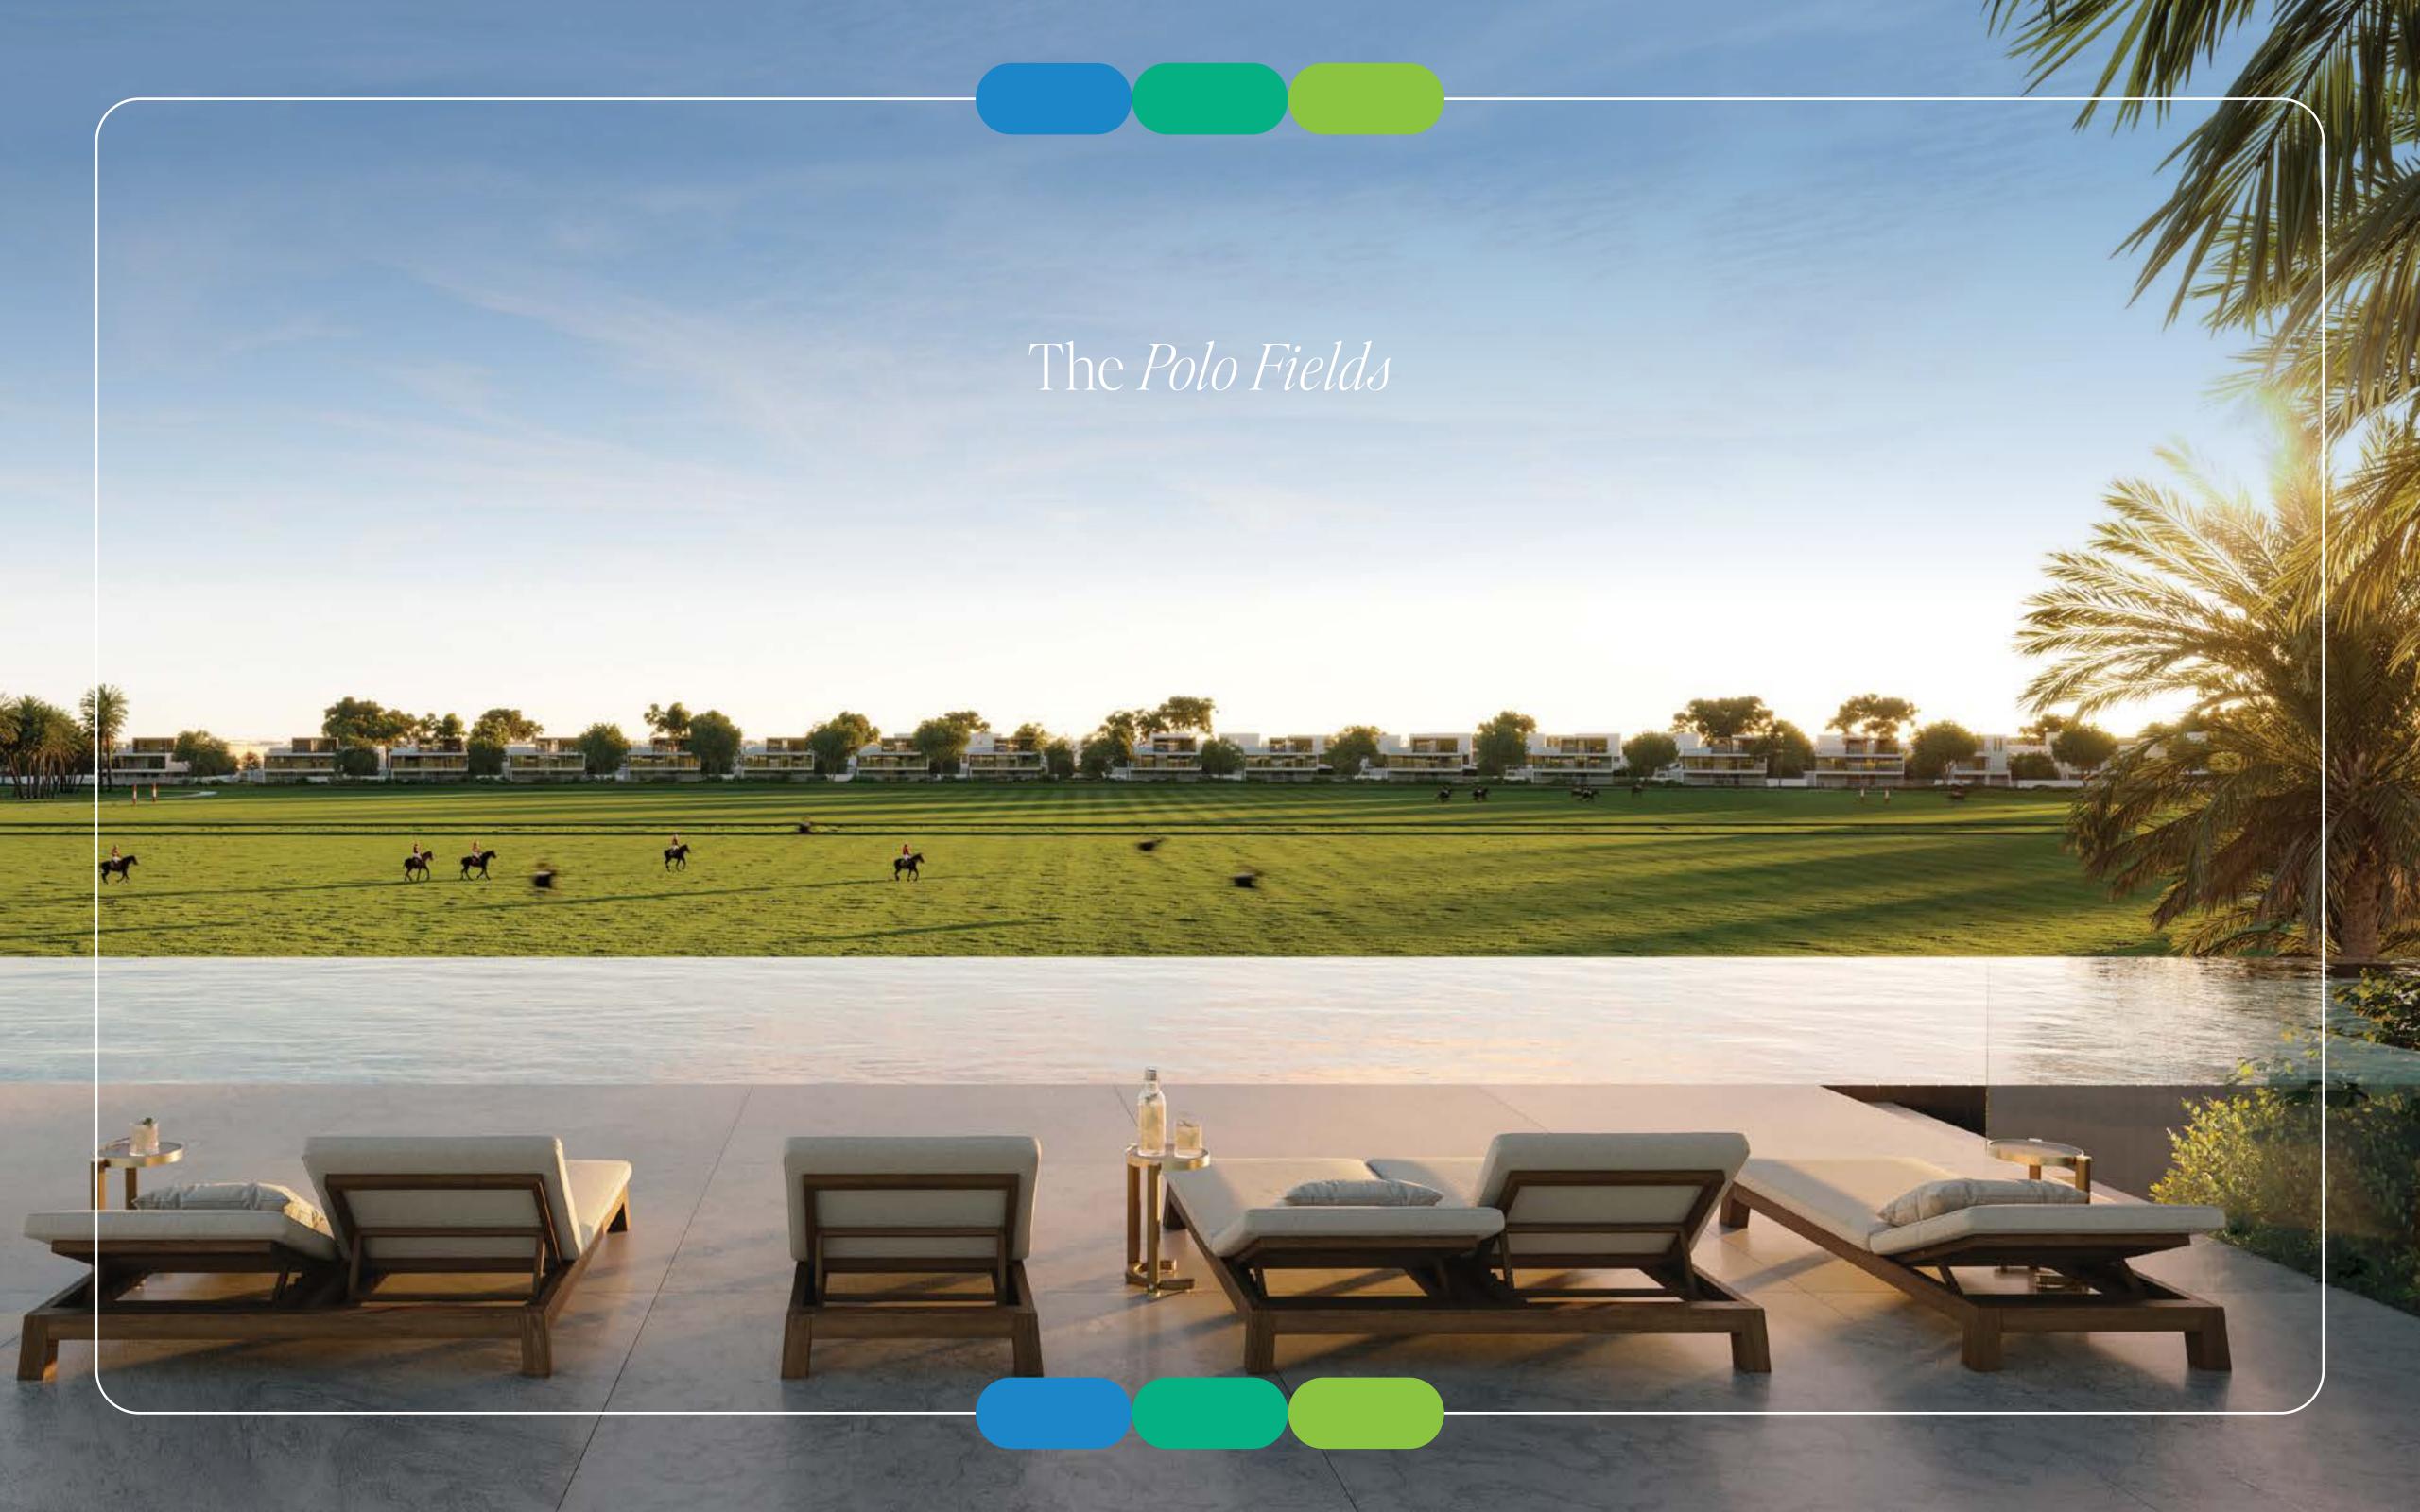

A Modern Marvel

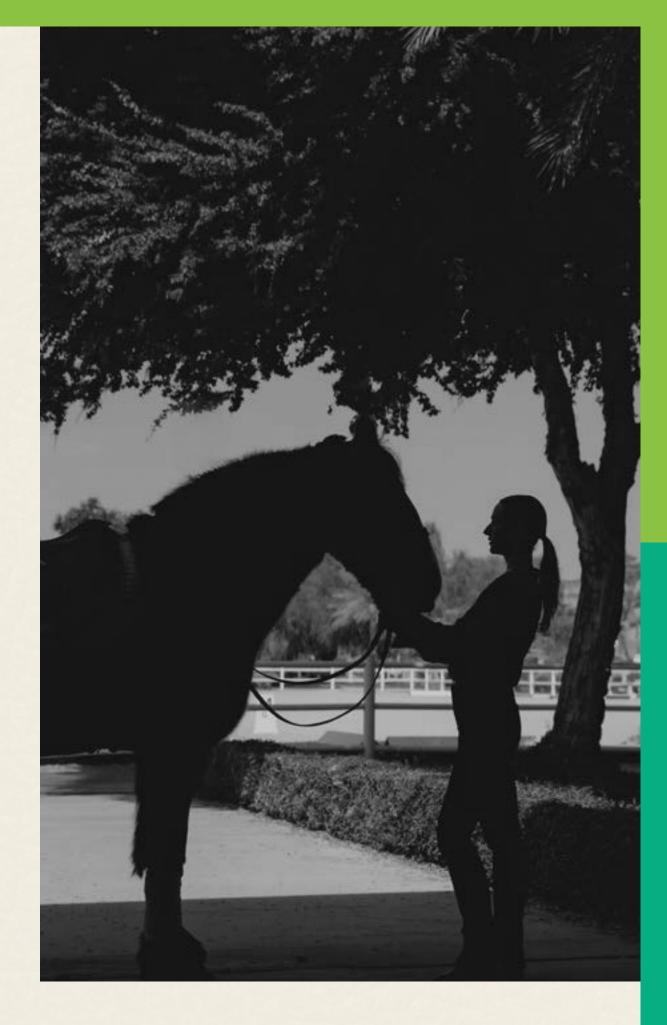

Set within the equestrian enclave and surrounded by exclusive villas, the Clubhouse stands as a striking architectural icon. Its bold, open design mirrors the elegance and dynamism of Polo, blending the essence of Arabian legacy with the spirit of contemporary design.

The elongated, single-storey Clubhouse boasts panoramic views of the Polo Fields and includes a spacious covered terrace for spectators of jumping events complemented by natural grandstands for various activities. It serves as a central hub, encouraging members to engage in diverse equestrian experiences.

Homage to Equestrian Heritage

This is a space crafted to harness the spirit and speed of the horses. Seamless landscapes are envisioned to offer a contemporary take on the classic Polo grounds. Inspired by natural elements and textures of soil – The Polo Fields establishes the monumentality of the vision spanning across 340,000 sqm.

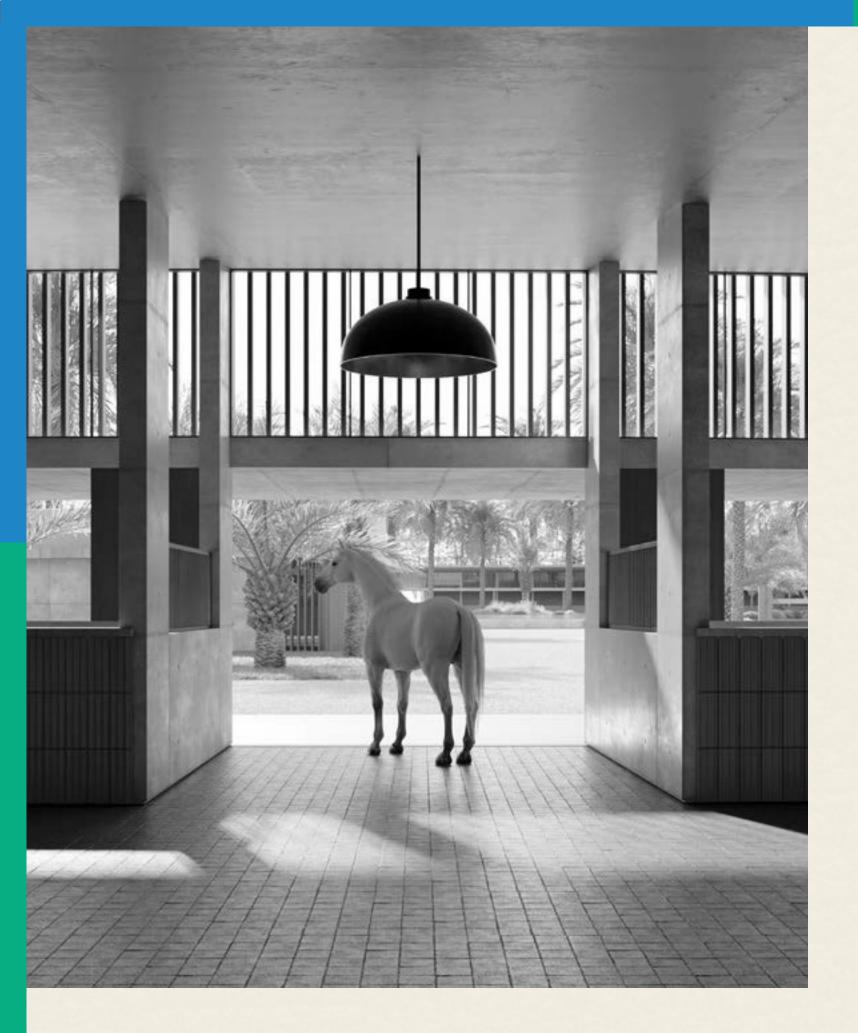

A Hidden Gem

An organic, spiralling design that encircles a large, landscaped courtyard. An inviting hidden gem is revealed upon entering the building. This iconic design of The Stables is to become a significant global landmark in the equestrian realm.

A purposeful process of integrating circular elements to emphasize on expansiveness, to frame important landscape moments and incorporating water features to serve a playful scenery.

Beyond the gallop, life unfolds as a harmonious interplay between the thrill of sport and the tranquillity of nature. Sunlit days by the Galloping Fountain, exhilarating matches enjoyed from your private vantage, tranquil evenings spent amidst the floral garden and along verdant paths. This is a distinguished realm where equestrian heritage seamlessly blends with refined living.

Luxury Living, Inspired by *Polo Legacy*

Chevalia Estate is located at the periphery of the masterplan's Green Core. This is a bespoke 5-bedroom villa collection inspired by equestrian elegance. These meticulously designed homes blend contemporary style with stunning natural views. Imagine waking to vast emerald polo fields or the vibrant tapestry of green meadows within a world-class equestrian community. Embrace a life of unparalleled exclusivity.

Homes Crafted for the Heart

Sweeping views of the central green and sun-dappled meadows stretch like painted landscapes, offering families a canvas to create their story of cherishable moments. Here, the spirit of equestrian grace is woven into the very fabric of everyday life.

Canvas of Timeless Elegance

At Chevalia Estate, the interiors are an artful composition of opulence and purpose.

Each room is a living masterpiece, where the soft gleam of polished marble is contrasted by the warmth of cascading natural lights. Elements are designed to honour both form and function, while creating an ambience of luxurious style.
