DUBAI HILLS ESTATE

Sustainably designed, Dubai Hills Estate is a first of its kind destination in Dubai. This masterfully-planned 2,700-acre multi-purpose development will form an integral part of the Mohammed bin Rashid City.

According to the Royal Institution of Chartered Surveyors (RICS) in London, apartments next to or very near to a public park are proven to sell for as much as 19 per cent more than the same type of property in another location. This further positions Dubai Hills Estate as a prime investment opportunity.
