that weaves a unique tapestry of modern urban life.

THE PRESTIGE OF DUBAI

Sustainable development forms an integral part of Dubai's Green 2040 Vision. Dubai constantly strives to become one of the world's happiest cities after being ranked 20th in the World Happiness index 2020.

Involving the people of Dubai has been one of the remits of its ambitious goal to create a city built on happiness, sustainability and health.

With its iconic statements, strategic vision, architectural magnificence and admirable infrastructure, the positivity reflected in the city is like no other in the world. Dubai will continue to achieve the impossible for its residents and tourists alike.

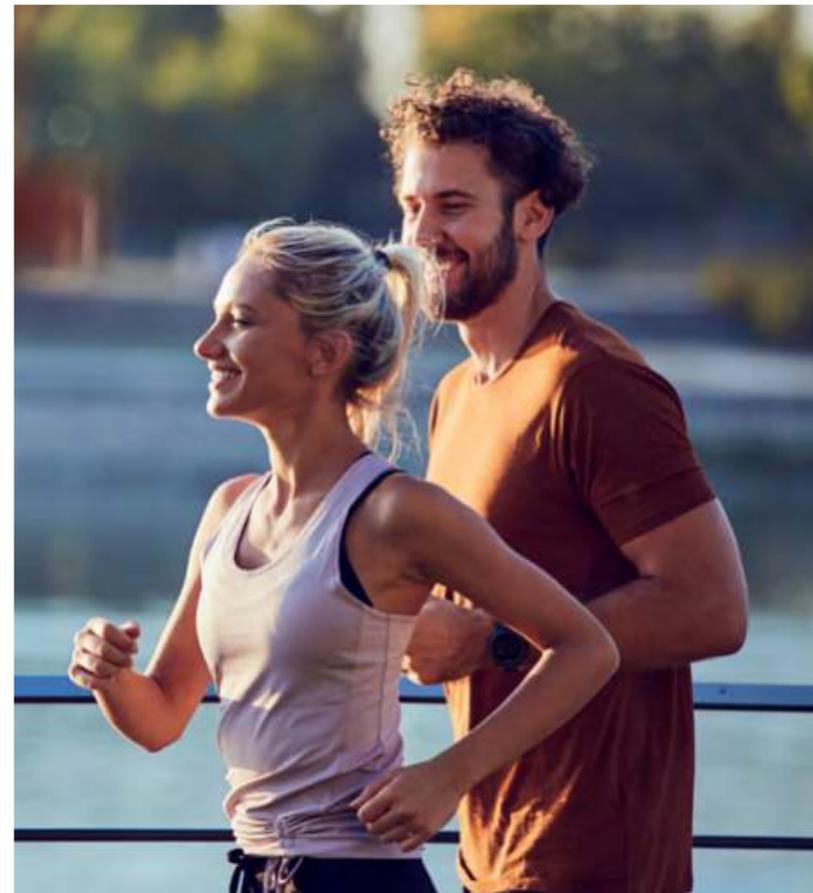

THE SPLENDOR FUTURE OF MEYDAN

Imagine having the splendor of Meydan right at your doorstep. Meydan, which has been one of Dubai's most sought after locations since its launch in 2010, is home to the iconic Grandstand, which is one of the world's largest integrated racing facilities that also hosts the Dubai World Cup.

Meydan is also the location for some exciting upcoming developments, such as The Meydan One Mall and soon-to-be largest indoor ski slope, all located within minutes reach of MAG PARK.

URBAN DWELLING HAS NEVER FELT THIS GOOD

A PLACE TO GROW

Surrounded by schools and parks,

COMMUNITY LIVING

TRANQUIL

WELCOME
HOME

A PLACE TO FLOURISH

MAG PARK will be more than a community, it will be a place where residents can grow and flourish through an exchange of ideas and knowledge.

With limitless dedicated social hubs to bring people together, the residences will have access to a variety of courses, clubs and events, ranging from a focus of health to entertainment, and from learning to grow your own food to trying new recipes. It is a place where individual talents and passions can flourish.

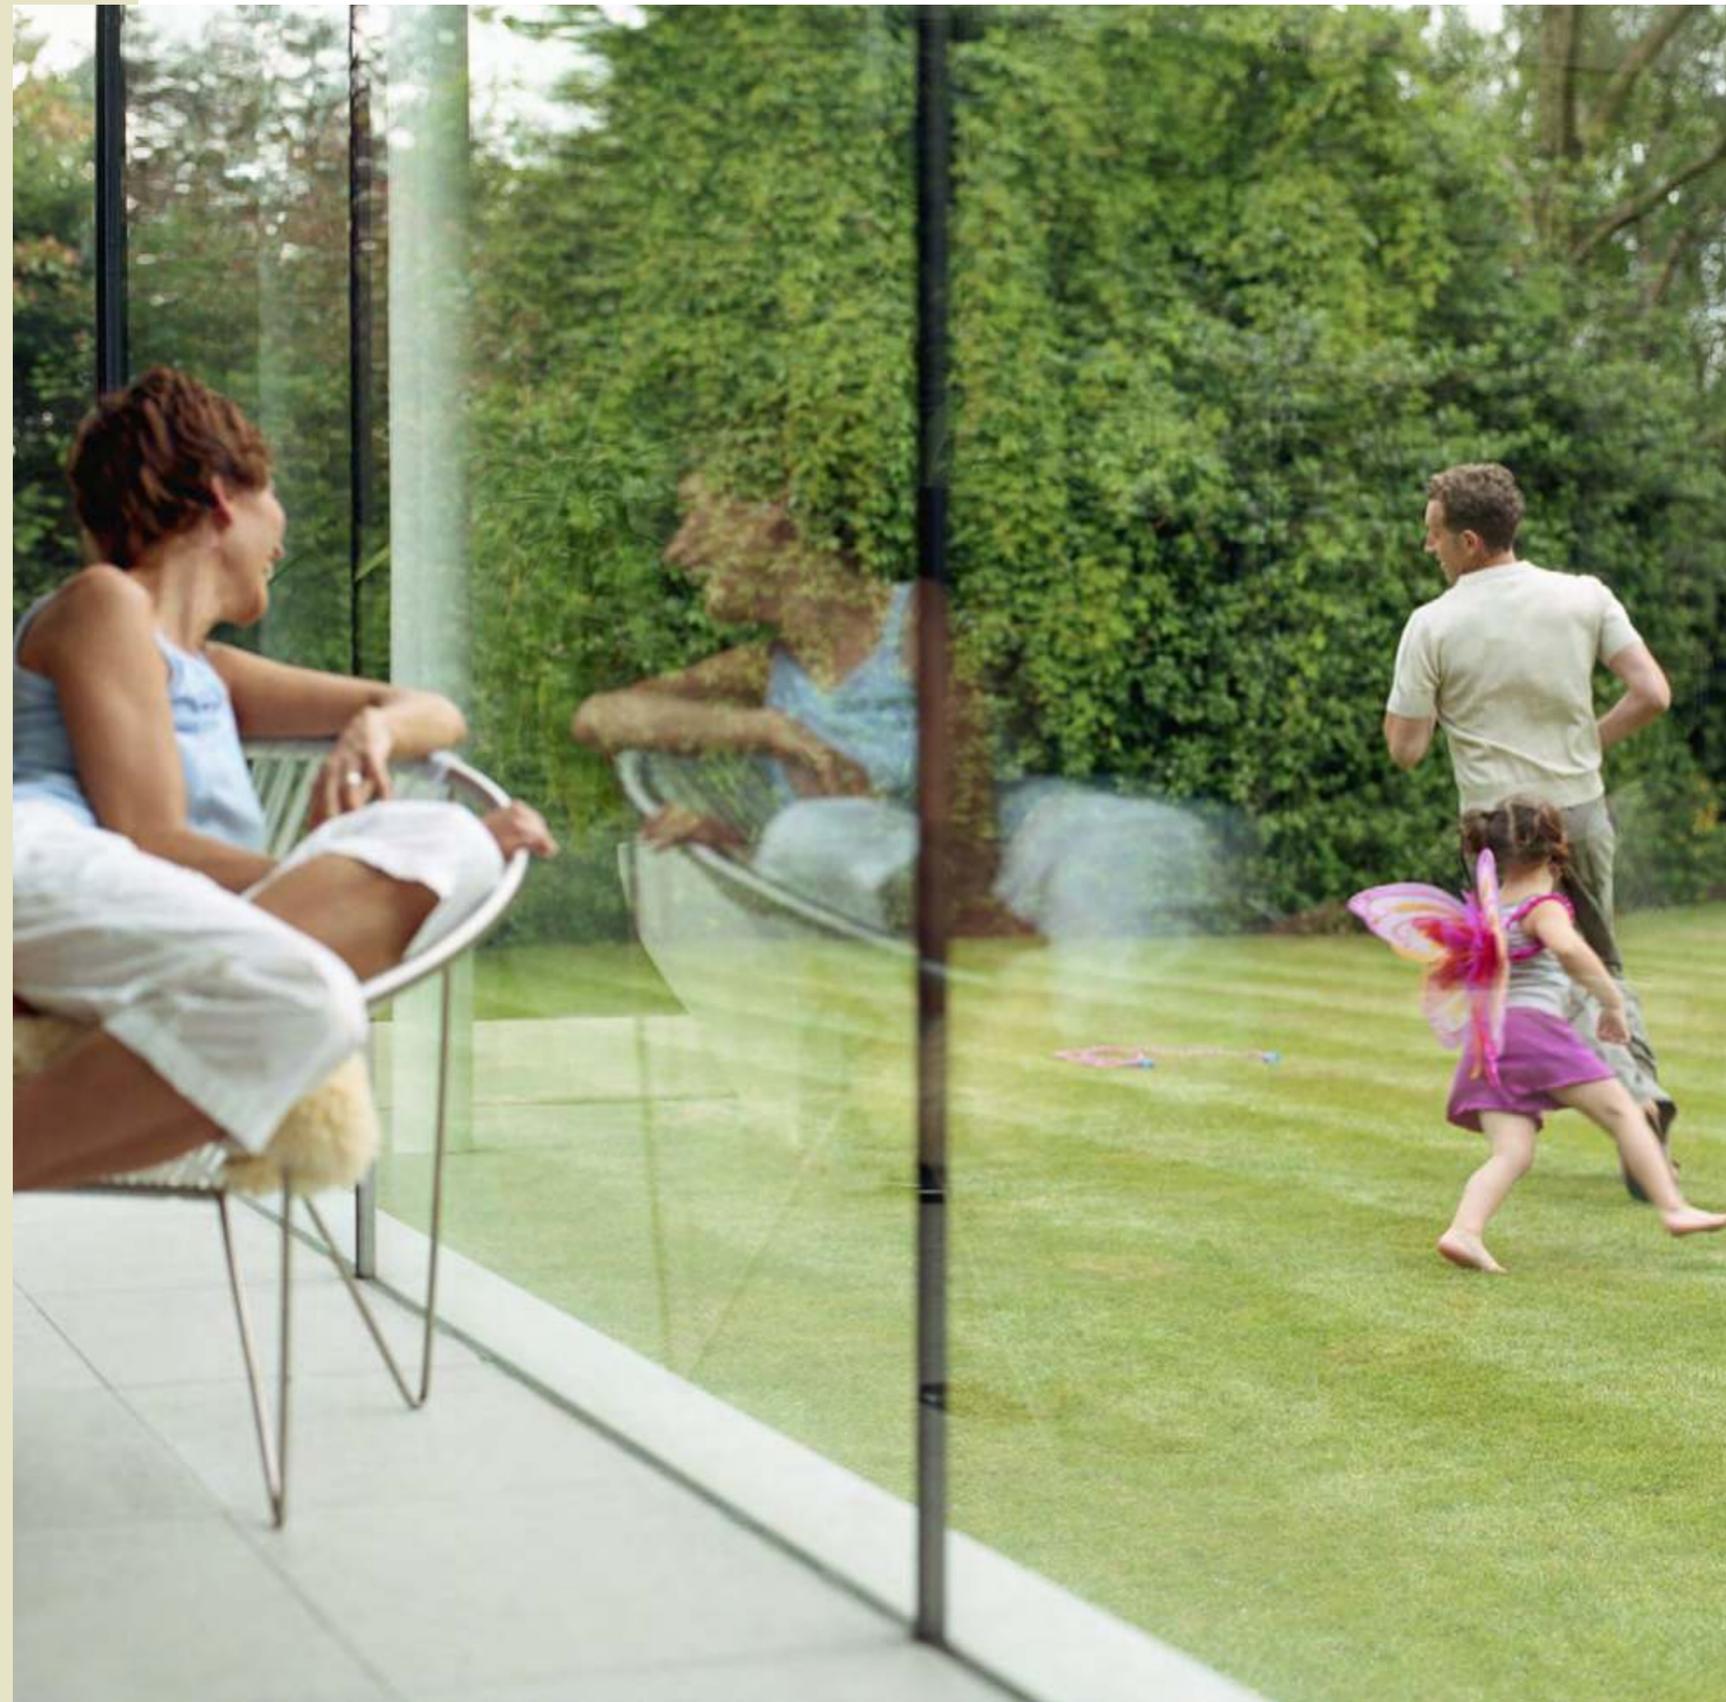

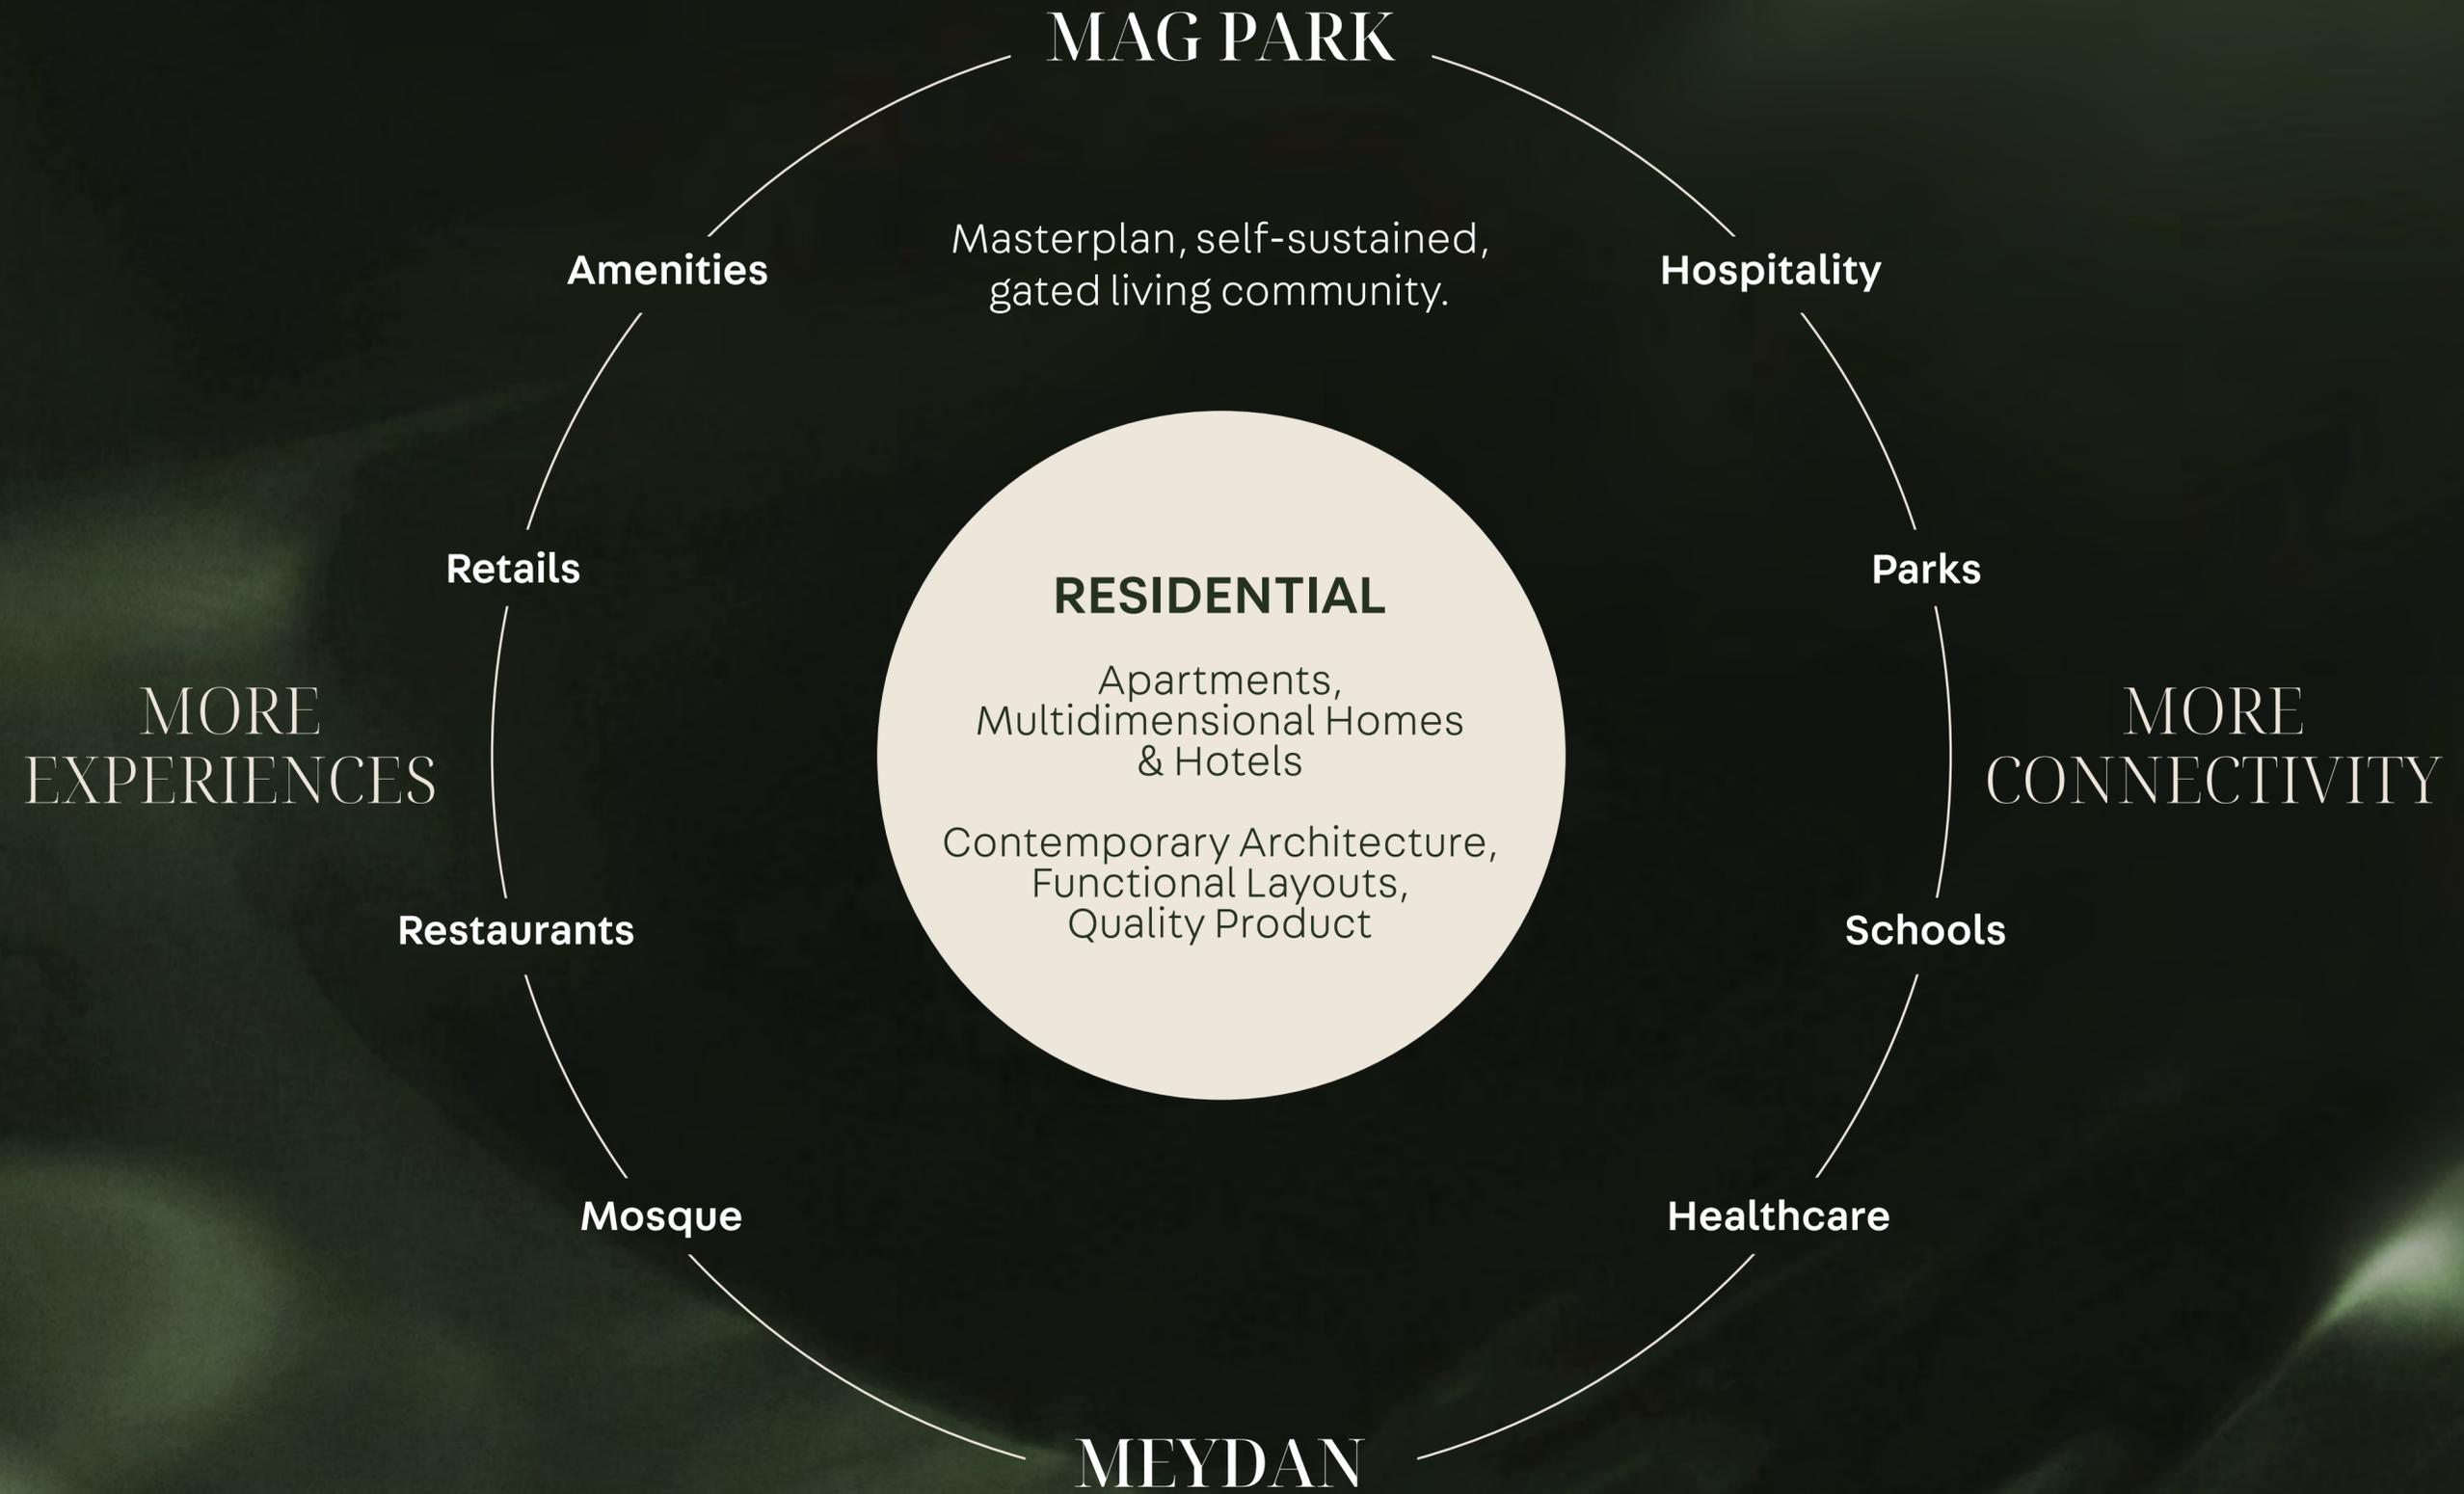

BECOME A **MAGCITIZEN**

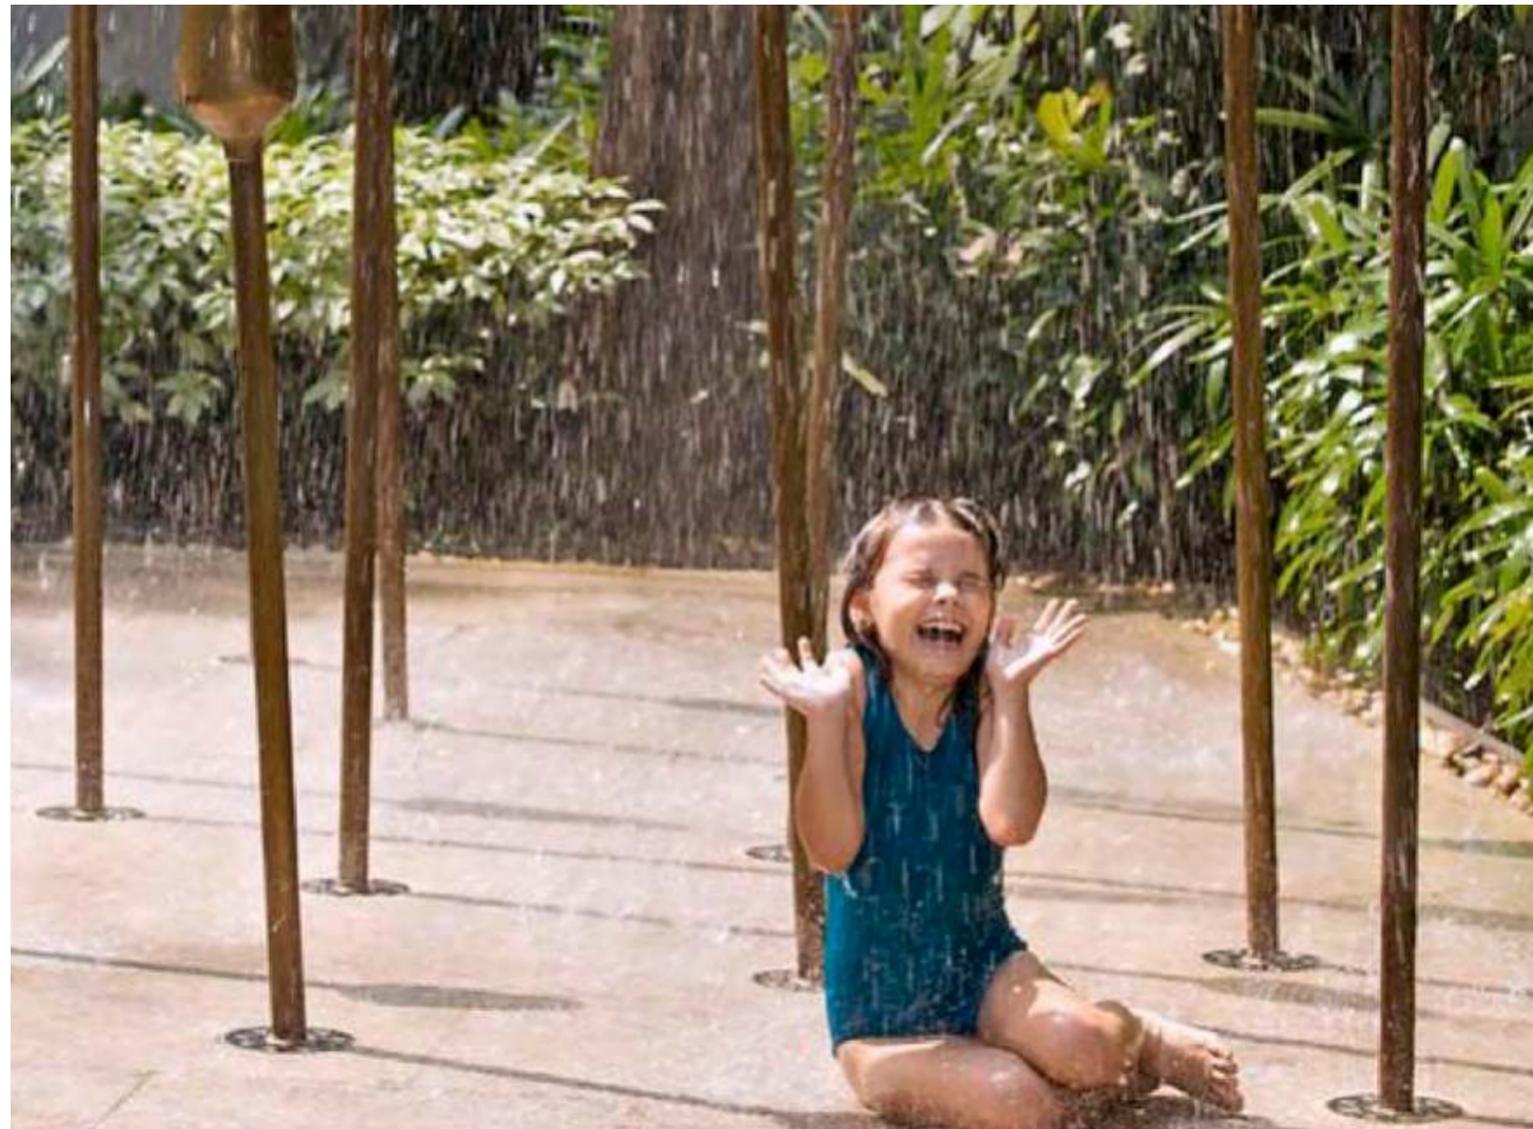

Space has become the biggest luxury for those living in busy urban cities such as Dubai, and yet it's green spaces and parks that raise the value not only of the area, but also of our wellbeing. Nature is the best remedy for the intense schedules and lives that we lead.

MAG PARK is launching with more open outdoor spaces and gardens, and each cluster will have its own dedicated park.

Feel the soft grass under your feet, take a deep breath in and soak up the sun, this is home.

A STORY TO WRITE

Our park is full of different kinds of life, each with a story to tell.
