Safe and eco-friendly

By honouring the area's natural topography, the community benefits from its own microclimate with a natural buffer against noise and dust and enhanced privacy for residents' comfort and wellbeing.

Smart homes, designed with sustainable living in mind, are accessible by pedestrian walkways with dedicated paths for bicycles and e-scooters.

Be at home with nature

Enjoy calm moments in an exclusive nature reserve that’s home to local wildlife including gazelles and native plants, as well as a lake featuring various species of fish.

Space to be yourself

Every townhouse is designed to give you room to live and space to grow, maximising privacy while offering opportunities for community interaction. Shamsa 1 townhouses inspires a more sustainable way of living, enhancing the quality of life for all residents.

Welcome the outdoors in

Shamsa 1 townhouses seamlessly integrates indoor and outdoor spaces, with large sliding doors connecting the interior to the garden. Natural and contemporary materials and colours mirror the natural surroundings, creating a sense of space and tranquillity.

Expo Valley Offerings

- Undulating native landscape that overlooks a nature reserve, lake and wadi, attracting wildlife of the region, including gazelles, flora and fauna and various species of fish.
- Unique ‘folded earth’ topography creates a microclimate that lowers temperatures and reduces environmental noise and dust.
- Car-free lanes and dedicated tracks for cycles and e-scooters, with 100 per cent separation between pedestrian and vehicular ways .
- Farm-to-table urban farming, with produce grown in-community used for local supply.
- A ‘green link’ corridor providing seamless access to Expo City Dubai for pedestrians, cyclists and autonomous vehicles.
- Designed to meet the highest sustainability standards to ensure residents live in communities that are environmentally friendly and promote health and wellbeing.
