FLOOR PLATE:

A detailed floor plate diagram of a building, showing the layout of rooms and corridors. A specific room is highlighted in red, indicating its location within the overall floor plan. The diagram shows a complex arrangement of rooms, including what appear to be offices, meeting rooms, and common areas, connected by a central corridor system. The red-shaded room is located in the upper right portion of the plan, adjacent to a large open area.

FLOOR PLATE:

The image displays two architectural floor plate diagrams of a building. The left diagram shows the entire floor plate with a central section highlighted in red. The right diagram shows the same floor plate with a larger central section highlighted in red. A north arrow is located between the two diagrams.

Floors 03 - 09

Floors 10 - 17

FLOOR PLATE:

The floor plate diagrams show the building's layout, including the red-shaded room. The diagrams are arranged horizontally, with a north arrow pointing upwards between the first and second diagrams. The red-shaded room is located in the top right corner of the building's footprint.
