

CLUB VILLAS
KEY PLAN

Bespoke with a French touch, these 28 three-floor villas follow the snaking contours of the masterplan. They introduce greenery into the living quarters, oriented towards the lagoon on one side, and the park on the other; optimally framing the scenic landscape.

The scenography of the living experience is set up with a procession of single and double height spaces leading from the entrance to the garden and the beyond, combining contemporary design with luxurious comfort. Optimal for a summer retreat.
