

Biela

Luxury's true colour.

WHEN EVERYONE GOES LEFT,
GO WHITE.

Declutter your world

In a jumbled universe, there's an irrefutable need for some order. The desire to minimise in a world that celebrates chaos is rather to be applauded than condemned.

Introducing Biela – a collection of minimalist villas at the heart of AKOYA Oxygen, one of Dubai's most prestigious golf communities.

Available in three or four bedroom arrangements, these white homes exude simplicity, offering you a blank canvas that you can design and decorate to your liking.

The appearance of white
in a dream is believed to
indicate happiness at home.

White is the colour of fresh beginnings

Have the perfect start to your marriage with these incredible villas, offering you an ideal space for your little family. Along with the master bedroom, the second room can be converted into a nursery and the third can be kept as a guest room.

Bask in the serenity of your own private garden and breathe nature's freshness every day.
