AKOYA OXYGEN

Green is the new black

Close to the city, yet away from the hustle. At the heart of nature, and with nature at its heart, AKOYA Oxygen melts away the bustle of urban life with an ecosystem that's unique in every way. The community will offer cleaner air, naturally cooler temperatures and a carefully designed master plan and road network system, with dedicated spaces for bicycles and hybrid vehicles.

Surrounded by rich flora and green vistas, AKOYA Oxygen is a community that offers a convenient, luxurious lifestyle with everything you need, and more.

High-end shopping, organic dining, Dubai's first rainforest and the Trump World Golf Club Dubai, are just a few of the highlights to be found at AKOYA Oxygen.
